Growing & Going in God's Love

Faith at Home

Moses and the Burning Bush

A simple practice to remind us that God is with us in the ordinary and extraordinary moments of each day.

What You'll Need:

- Your campfire craft - or just a tea light is fine!
- A quiet few moments together

1. Light the Fire

Gather around your little campfire and switch on the tea light...

Say:

Moses was walking through the wilderness when he saw something strange: a bush that was on fire, but wasn't burning up. Moses stopped. He looked. And there in that surprising place, God spoke to him

Take a moment to look at your little flame.

2. Notice

Invite everyone to be quiet for a few seconds.

Then ask:

-
- What is something beautiful you have noticed today?
 - What is something that made you smile?
 - Where have you seen kindness this week?
 - Is there an ordinary place where you feel especially safe, loved, or close to God?

Say...

Sometimes we expect God to be found in big, amazing things. But Moses discovered God in the middle of an ordinary day. What if we looked for God in our ordinary days too?

3. A Little Prayer

Bring the practice to an end by asking someone to pray using these words...

God, help us to stop and notice the beautiful things, the people who love us, the little gifts we sometimes miss. Thank you for being with us in exciting moments and ordinary moments. Help us keep our eyes open for your goodness this week. Amen.
