To The Families That We Service

Federal and State agencies have determined that itemization of funeral services is essential for the benefit of the general public in order to assure that consumers are not asked to pay for services they do not receive. It is essential that each item of service, in addition to our basic fee for services be identified. It is our family's sincere concern that we will make every effort to meet your needs. We appreciate the confidence and trust that you have placed with us.

"Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent".

All of our fees, including services, merchandise and cash advance items are due and payable at the time arrangements are made unless, payment is assigned by insurance or pre-arranged plan.

The funeral home has the right to cancel any services or reschedule if there has been a threat on social media or other ways to harm any family member's lives that we are serving or to our staff. (No Alcohol in or around premises)

Staff is not responsible for watching your children during funeral or rosary service
