

2025 Mudsock Youth Softball League Rules

General Rules

Pregame and Game

- First games of the evening start at 6:00pm sharp. Visiting team warms up first. Home team may take the field 10 minutes before the game, warm up, and remain on the field for game to start.
- If there is a doubleheader, the first teams must exit their dugout immediately following their game.
- Second game will start no earlier than 7:30 or 15 minutes after the previous game ends. For example, if the first game ends at 7:25pm, the second game will start at 7:40pm. Likewise, a game following a game that ends at 7:35 pm will start at 7:50 pm with no warm-ups on the field prior to the game.
- No infield warm-up between innings. Two warm-up pitches allowed between innings. A new pitcher receives five warm-up pitches. The goal is to play as many innings as possible.
- Home team occupies 3rd base dugout; no exceptions.
- Umpires will have game balls (one new) for 7U and up. Coaches for 5U will need to supply the game balls. The umpire is official timekeeper.
- Players are to remove all jewelry except earrings unless they are loose, dangling, or hoop earrings. Plastic hairpieces are permitted.
- Players must tuck in jerseys and tuck in any loose strings (sliding shorts and sliding pads are highly recommended for safety).
- Appropriate facemasks are mandatory for all infield players (including pitchers) in 7U and up. Pitchers at the 7U, 8U and 10U level are required to wear heart guards (will be provided by the league). Pitchers at the 12U and 14U level are strongly encouraged to wear heart guards.
- The league provides helmets, but a player may use their own helmet if it complies with local rules. All batting helmets must be equipped with a NOCSAE-approved face protector.
- All players present shall be included in the batting order. Any player arriving late will be inserted at the bottom of the order. Any girl leaving the game early will be removed from the lineup with no penalty.
- Farming up: Teams may farm-up players from lower age leagues to create the complete 10-player roster. **Farmed-up girls may not pitch or catch** and must be placed last in the batting order. Farmed-up girls must be registered with the Mudsock Youth Softball League through the MYA office.
- Base coaches are responsible for helping keep bases clean.
- Only defensive players, batter, on deck batter, umpire(s) and base coaches are allowed out of the dugout during the game.
- No travel players are allowed to play in the rec league games in spring. Fall ball is permissible but the player cannot pitch or catch.

Postgame

- Each team's scorekeeper is responsible for confirming scores with each other; settle disputes before the next pitch. Home team is the official scorebook.
- Winner of the game is required to inform the league commissioner of the result via email within 24 hours. In case of tie the home team coach contacts the commissioner.
- Return game balls to umpire after game.

Umpires and Coaches

- Be professional. Dress respectably.
- Only the head coach (chief assistant if head coach is not present) shall have rights to discuss judgment calls or rules with umpire. Balls and strikes may not be questioned. If there is a rules application or interpretation question it will be calmly, respectfully, and quietly discussed at home plate by both teams' head coaches.
- Head coaches are responsible for the conduct of their coaches, players and fans; and they are also responsible for reviewing rules with the players, coaches and fans. Umpires will issue one verbal warning to any coach, player or fan not following the objection rules above. After the first warning the umpire may ban a coach or player to the dugout and require their silence; or may require silence from a fan(s). Umpire will inform head coach if fan(s) are to remain silent. If the requested silence is broken, the umpire may remove that coach, player or fan from the park. This rule applies to all in attendance of the game. Anyone ejected from the game must immediately leave the property and will automatically be suspended from the next game. If a head coach is ejected from a game, that coach must leave the property and will be suspended for two games. If an assistant coach is ejected from a game, the assistant coach must leave the property. If an assistant coach is ejected from a game, the head coach and that assistant coach will both be suspended for two games. This two game suspension may be appealed to the executive committee of the board. Any coach or assisted coach ejected from a game must meet with the executive board before returning to coach their team.

General Game Rules

- **Slide Rule:** Runners are NOT required to slide at any base; however, the runner must avoid contact with the defender. If a runner attempts to slide (judgment call), contact rule is not in effect. Headfirst slides are prohibited except when diving back to the base.
- **Interference:** If a runner makes contact with a defender during a play at a base, the runner will be called out for contact while not sliding. If a runner interferes with a fielder attempting to field a batted ball, the runner will be called out. In both cases, the onus is on the runner to not interfere with the fielder. If, in the judgement of the umpire, a runner attempting to reach any base intentionally and/or maliciously runs into a defensive player she may be called out and ejected from the game; and play stops immediately at the point of collision and the head coach is restricted to the bench for the rest of the game.
- **Strike Zone:** Batters chest to the top of their knees and inside and outside edges of the plate.
- **Metal Cleats:** No metal cleats will be allowed in leagues 12u and younger
- **Obstruction:** Obstruction will be called, at the judgement of the umpire, if a fielder who, while not in possession of the ball and not in the act of fielding the ball, impedes the progress of any runner. If a fielder interferes with a runner, the umpire may grant the runner one extra base when the play has completed. For avoidance of doubt, the runner still may not purposely initiate contact with any obstructing fielder (see interference rule above). Tagging a runner out is not considered obstruction.
- **Hit by Pitch: 7U, 8U & 10U-** If a pitched ball hits the batter out of the strike zone, the batter will be awarded first base. However, if the pitched ball bounces or rolls and hits the batter no base will be awarded. Hands and fingers are not considered part of the bat.
- **Hit by Pitch: 12U & 14U-** A pitched ball, legal or illegal, hits the batter's person or clothing. EFFECT: The ball is dead immediately. EXCEPTIONS: 1. If the batter swings or If the ball enters the strike zone

or If the batter prevents the ball from entering the strike zone, a strike is called on the batter; and if it is the third strike, the batter is out. 2. If the batter intentionally moves to get hit by the pitch, it is a strike or ball depending on location of the pitch. NOTE: 1. If a batter's loose garment, such as a shirt that is not buttoned is hit by a pitched ball, the batter is not entitled to first base. 2. It does not matter if the ball strikes the ground before hitting the batter. 3. The batter's hands are not considered part of the bat. 4. If a batter swings and the ball hits their hands which send it into fair or foul territory, the ball is dead immediately; A strike is called on the batter; and if it is the third strike, the batter is out

- **Foul Ball:** A ball is not foul until it stops completely or hits any object in foul territory such as the fence, player, base coach, etc. Base lines are fair territory. If a hit ball lands in fair territory then goes foul after passing by first or third base it is considered fair.
- **Time Outs:** Two, one-minute timeouts are allowed per inning. Second defensive time out in an inning requires a pitching change be made.
- **Playing Time/Team Line Up:** Coaches at all levels must play all girls, giving each of them meaningful playing time. Every effort should be made to rotate players to the infield. Players may not sit out more than one inning in a row defensively (reasonable exceptions may be made, such as injured or sick player, player's request, etc.). Players must play both offense and defense and not just one or the other.
- **Twelve Players Present:** No player sits out more than one inning in a row; maximum two innings total.
- **Eleven Players Present:** No player sits out more than one inning in an entire game.
- **Minimum Number of Players Allowed:** Any team in 7U, 8U or 10U not able to start and finish a game with 7 players must forfeit that game. Any team in 12U or 14U not able to start and finish a game with 8 players must forfeit that game. A 15-minute grace period is granted to allow for arrival of the seventh(7U, 8U & 10U) or eighth player(12U & 14U). However, a practice scrimmage may be played if both coaches agree. The umpire does not have to be present to play a scrimmage game. There is no penalty (outs) for having only 7(7U, 8U & 10U) or 8(12U & 14U) players present. There is no minimum player requirement for 5U.

Other Items

- **Suspended Games/Inclement Weather:** Games will be on hold for 30 minutes from the last lighting strike. BMOD (Board Member on Duty) will be responsible for calling the game due to weather.
 - In 7U, 8U, 10U, and 12U, a game is considered complete after either 45 minutes of play or 3 innings.
 - In 14U, a game is considered complete after 60 minutes or 4 innings of play.If the game is made up at a later time it will continue from where it was suspended. Different player lineups may be used in the suspended game if different girls are present. Use, as close as possible, the same line up from the game being made up. The score will revert back to the last full inning played for all games that have been called a completed game. For example, if a 12U game with two outs in the bottom of the 4th inning gets called by rain, the final score will be the score at the end of three full innings played. No runs scored in the 4th inning will be counted.
- **Weather Info:** Please follow our X (Twitter) feed: @MudsockSoftball for weather info, game changes, and cancellations.
- **Field closures:** Fishers Parks Department maintains the softball fields and determines the closure status based on weather. Please follow their X (Twitter) feed for field closures: @Fishersfields

- **Code of Conduct:** All Members of the MYA softball community, including players, coaches, parents, and board members will sign a league-wide code of conduct outlining appropriate behavior at softball practices and contests. The code of conduct will also out-line the proper procedures for problem solving issues between, players, coaches, parents, and the MYS Softball Board.
- **Concussion Training and Background Checks:** Any individual who is a head coach, an assistant coach, a in dugout scorekeeper, or a helper at practice must complete Concussion Training through MYA. Training must be repeated every three years. All Head Coaches, assistant coaches, in dugout scorekeepers, and practice helpers must have a background check completed by MYA. Background checks are valid for three years.
- **Player Injuries:** All players who have suffered a concussion or a broken bone must be medically cleared in writing by a certified doctor before that player can participate in team activities, including practice and games.
- **Travel Players:** No rostered travel players can play on a recreational team during the spring season. A travel player can be permitted to sub on a recreational team with written permission from the VP/ Player agent. These approvals will be made on a case by case basis. Travel players can be permitted to play during the fall season. In all situations, rostered travel players will not be permitted to pitch or catch.
- **All Other Rules:** We will follow the USSSA rule book for all other rec rules.
