# About the Ursuline Sisters of Toledo's Sharing Our Legacy FINE ART SALE

Many well-known and nationally-respected artists have graced us with their religious and non-religious paintings and other forms of art expressions over the years. Now it is time to share our Ursuline legacy and pass those meaningful creations on to our friends.

A few of the artists featured in this event include Sister Jane Catherine Lauer (1907 - 1988), Sister Georgianna Benner (1916 - 1998), Sister M. Veronica Gottron (1879 - 1972), Sister Alberta Lochotzki (1902 - 1978), Walter Chapman (1912 - 2015), and Dominick Labino (1910 - 1987). Paintings, prints made from wood-cut blocks, photographs, pottery, hand-blown glass, wood carvings, and tapestry are for sale. Additional art not featured in this catalog may be available for sale.

The contents of this catalog are the result of the investigative work of Sister Georgianna Benner, Sister Mary Rose Krupp, (1917 - 2005), Sister Elizabeth Marie Brell (1927 - 2021), Sister Donna Frey, and Michelle Scazzero. Sources were first-hand experiences, stories re-lived, personal notes, files found in the Archives of the Ursuline Convent, and friends of the Ursuline Sisters. Information herein deemed reliable but not guaranteed.

Prices will be determined by a certified art appraiser and the sale will be staffed by a professional estate sale company.
