

Allison Krauss is a 13-year-old 7th grader in her 3rd year on the Steppers Dance Team. She dedicates over 10 hours a week to dance, taking classes in ballet, tap, jazz, musical theater, lyrical, hip-hop, and more. This past June, she received her 10th recital award. Allison's favorite dance memory is singing karaoke loudly with her teammates in the "hidey hole" at competition. This season, she is excited to be competing in a new duet with her sister and a tap trio. She looks forward to making even more memories with the team this year.
