

**Brianna Hickman**, a 15-year-old sophomore at Spring-Ford High School, is passionate about many styles of dance, with a special love for contemporary. As a devoted member of the Steppers Dance Team, Brianna participates in competitions, conventions, parades, and a variety of performances. These opportunities have allowed her to build lasting friendships and create treasured memories with her teammates. Outside of the studio, Brianna aspires to become a marine veterinarian, a career inspired by her deep dedication to protecting sea life. Her passion for both dance and marine conservation showcases her diverse interests, strong work ethic, and commitment to personal growth.
