

## GARAGE STORAGE THAT FITS YOUR LIFE.

Upgrade your garage with NX Racks. A heavy duty, modular shelving system that creates a cleaner look, better organization, and easy access to everything you store.

### A CROWDED GARAGE IS COMMON.

NX Racks helps you organize faster with storage designed to fit your space and what you store.

- Bins and seasonal décor
- Tools and hardware
- Sports and outdoor gear
- Gardening and auto supplies
- Everyday items

### READY FOR A GARAGE YOU'LL ACTUALLY USE?

Getting organized shouldn't be complicated, schedule your free in-home consultation today!

### A SEAMLESS STORAGE UPGRADE FOR ANY GARAGE.

## BUILT TO FIT HOW YOU STORE.

NX Racks gives you the flexibility typical garage shelving cannot. Designed to look built in and function better, it adapts to your layout, your storage needs, and your style so your garage stays organized and looks great.

### ✓ Two Installation Options

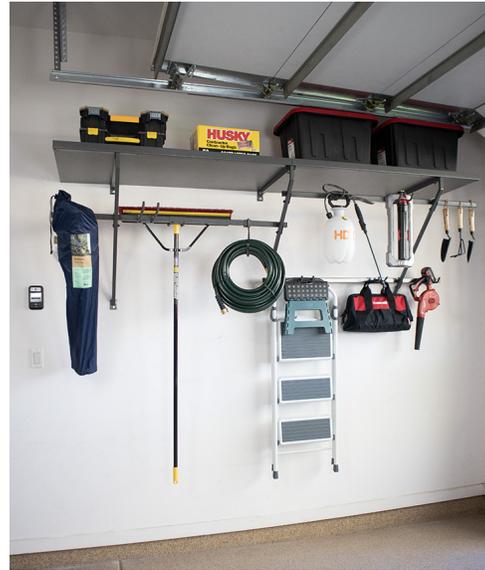

- **Standard:** Combines shelving and hooks for easy access items while still keeping storage elevated.
- **Inverted:** Keeps bins and lesser used items stored up high and out of the way.

### ✓ Customizable Widths

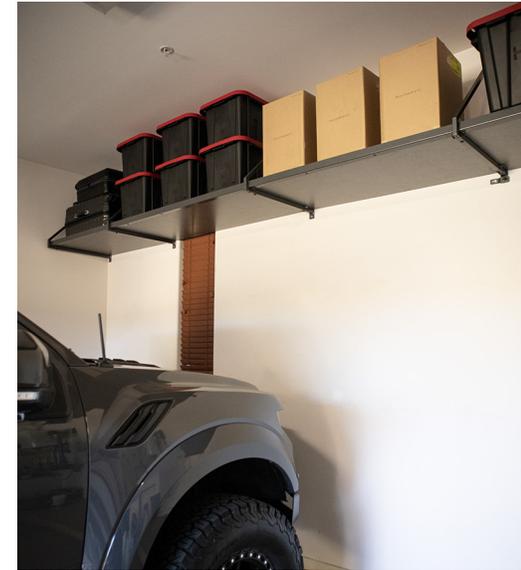

Sized to fit your space. Available from 16in. to 96 in.

### ✓ Seamless, Built-In Look

Coordinate your NX Racks shelf finishes to match your garage cabinets.
