BUFFALO, OK 73834

WELCOME!

If you're new to Buffalo, we extend a hearty WELCOME! If you have been a previous resident and are returning, we say WELCOME BACK! Either way, we are very glad you're here!

Our utility service includes Water, Sewer and Trash pick-up. If you have an alley, you will have a dumpster. Poly-carts are emptied every Tuesday. Please place poly-carts at the curb for pick-up first thing on Tuesday morning or, better yet, the Monday evening, to ensure pick-up.

Utility deposits are \$150.00 for an owner-occupied residence and \$250.00 for a non-owner-occupied residence. 2 forms of ID are required, as well as a warranty deed or a rental/lease agreement.

Our billing cycle is from the 20th through the 20th of the month, and utility bills are mailed towards the end of the month. They are due by the 10th of the following month, to avoid a 10% penalty charge. Late notices will be posted on the 17th of the month, or the day before, if it falls on a Holiday or weekend. If bill is not paid in full by 4:00 pm on the 20th, a \$50.00 penalty will be applied to the account, and service will be suspended. Service will not be restored until the utility bill plus fee are paid in full.

Bills may be paid online with a debit/credit card 24/7 at the town website: www.buffalooklahoma.com, by monthly Auto Bank Draft, in person at Town Hall anytime between 8:00 am and 4:00 pm, Monday to Friday, or the night drop, which is located on the North side of the building beside the drive through, and is available 24/7.

We often post notices for our roll-off dates, water leak info, holiday hours, and other related notices on our Facebook page www.facebook.com/townofbuffalo, please join us.

As a courtesy, we have compiled this list of numbers that may be of help:
