Enrolling GRADES R TO 11

Grade 10-11 will be phased in from 2022

FAST FACTS

Evolve is designed to take each child on a journey of personal mastery, using trend setting curriculum mapping systems developed by MIT, where they progress at their own deliberate or accelerated pace.

Curriculum developed by master teachers

We follow a project-based learning approach with performance-based assessments that focus on **mastery**

Students can progress at their own pace

Slow down to work more deliberately

Speed up and advance if talented and keen

Healthy, scheduled peer interaction

Including geographic clustering, collaborative tasks, pair work, scheduled academies, studios and day camps

Live lessons with a learning activator and classmates

Age-appropriate life coaching

Grades R to 3 frequently get an Adventure Box!
