

# Academic Procedures

## FOUNDATION PHASE

**Grades 0-3**

Welcome to the Foundation Phase at Evolve Online!

At Evolve Online, the Foundation Phase is where your child's learning journey begins! These precious years are all about laying the building blocks for a strong academic foundation while nurturing their social, emotional, physical, and intellectual development.

Our approach combines the best of the CAPS Curriculum and IEB standards, thoughtfully delivered in a dynamic online setting. We believe that strong connections with our learners are the key to keeping them engaged and inspired, and we tailor our lessons to suit their interests and unique academic needs.

Our young learners use Apple iPads to interact with carefully selected academic apps, enabling them to progress at their own pace. Highlights include a personalized digital reading library and a handwriting app with live AI feedback, ensuring every milestone is celebrated.

But the magic doesn't stop at the screen! Twice a term our learners receive Adventure Boxes—tangible, hands-on resources that complement the online curriculum, making learning exciting, concrete, and unforgettable.

Welcome to Evolve Online, where we nurture curious minds, big dreams, and lifelong connections!
