

Academic Procedures

SENIOR PHASE

IEB
Grades 7-9

Welcome to Senior Phase at Evolve Online. The Senior Phase at Evolve Online is an exhilarating period where students in Grades 7 to 9 delve deeper into their studies, embracing a journey of independence and self-exploration.

With a curriculum that includes English, First Additional Language, Mathematics, and IDEAS, students are equipped with essential skills for future success. The integration of digital literacy ensures that students become savvy digital citizens capable of critically evaluating information. Guided by dedicated Learning Coaches, learners balance academic commitments with personal growth, leading to holistic development.

This phase offers a flexible and customized educational experience, empowering students to revisit foundational concepts or accelerate in their areas of strength, building confidence and readiness for high school challenges.
