

## OUR SERVICES

We're all about making your place uniquely yours – no boring design rules here! Whether you need us to do all the legwork or just offer some fresh ideas, we've got a package for you:

- **DIY Dreamer:** We'll do all the research and planning, you take the reins and implement the design in your own time.
- **All Inclusive:** Sit back, relax, and let us do all the work. You just move in and enjoy your brand-new space!

Ready for a home that's stylish, budget-friendly, and totally you? Let's make it happen – we promise it'll be fun, easy, and totally customized to your taste.

## ABOUT US

At **Modernize Maui**, we believe your vacation rental should be as vibrant and welcoming as the island itself—and just as unique as you are!

Today's travelers want more than just a place to stay—they want an experience. Whether your rental needs a full makeover or a few fresh updates, we create stylish, guest-ready spaces that help boost bookings and 5-star reviews—without breaking the budget.

We handle the design process from start to finish (or just where you need us) and keep it fun, flexible, and stress-free the whole way through.

Ready to refresh your rental?

**Give us a call** and let's bring your space to life!
