

## SUNDAY OVERFLOW PARKING

TRIKE STOP - 1/2 block to the north.  
There are additional spots towards the back of the property -- not only those visible from the street.

WOODWAY CAMPUS - Across 100th Ave W, to the SW.  
All parking spots are available. The section south of the tennis courts is closest to the stairs and walkway (yellow dotted line) that connect to the street and conveniently located crosswalks.  
For safety, pedestrian access is on the designated walkways only.
