

# 34TH ANNUAL CYSTIC FIBROSIS ASSOCIATION TURKEY TROT

#BreatheEasier

## ABOUT US 34 YEARS OF THANKFULNESS

The Turkey Trot began as a small fundraising run--titled "Thanks for Giving" to raise money for a heart and lung transplant for a woman living with Cystic Fibrosis. Since then, this annual 5K/10K and Family Fun Walk has grown to nearly 2,000 participants and is the flagship fundraising event for the Cystic Fibrosis Association of North Dakota.

## CYSTIC FIBROSIS ASSOCIATION MEMBER TESTIMONIAL

"Turkey Trot continues to be my favorite event. I always enjoy seeing the familiar faces come out on Thanksgiving morning to support a great cause. "

### COMMUNITY SUPPORT

In a spirit of thankfulness, the Bismarck/Mandan community comes together on Thanksgiving morning to support the Cystic Fibrosis Association of North Dakota

# We are so thankful for YOU!

Helping our friends with Cystic Fibrosis to [#BreatheEasier](#)

For 34 years, the Bismarck/Mandan community has gathered near the Elks Club to run a Thanksgiving Morning race supporting the Cystic Fibrosis Association of North Dakota. We are so thankful for all that support our cause, and we are asking YOU to partner with us.

Thanksgiving Day is a wonderful time to count our blessings, and our community support is one of our many blessings.

All year, the Cystic Fibrosis Association of North Dakota works to help those with cystic fibrosis breathe easier. This help comes in many forms, including helping pay for medications, travel assistance for medical appointments, college scholarships, and more. Thanks to medical breakthroughs, the life expectancy for those living with CF has increased exponentially, and as such, our community is growing!

All of the funds raised at the Cystic Fibrosis Association Turkey Trot are managed by a board of directors of North Dakotans who are deeply invested in the care and well-being of North Dakotans living with Cystic Fibrosis. The money raised here stays in North Dakota and directly improves lives.

I am including information on how your support and partnership helps North Dakotans living with CF to breathe easier. Please take a moment to review our sponsorship levels and choose one that fits your budget.

I ask that you respond by September 15, so that we can include your sponsorship information across our channels.

In Hope,
