MAKE YOUR VOICE HEARD - EVERY VOTE COUNTS!

Election day (November 3)

Do yourself a favor, **vote by mail this time**, please.
In Pennsylvania, **ANY** registered voter may vote by mail, instead of going to the polling place. There are **no** qualifications, just that you are registered. No lines or times on Election Day.

The process is easy and safe[1]. **Please DO IT NOW.**

1. Make sure **you are registered**, and with **your correct address**.
   Call your election office: Adams County Phone: 717-337-9832, York County 717-771-9604, or go online (below)
2. Go to www.pavoterservices.pa.gov Click on "**Find Voter Registration Status**"

3. You can register and/or correct your address here. You must be registered by **October 19**.
4. Click on "**Mail-in Ballot Application**" to request a mail-in ballot. You will have to fill in a form including your driver's license number. You will get an email that your request has been received. (Or, you can do this by phone).
5. The deadline for this step is **October 27** for the mid-term election this year.
6. The ballot will be mailed to you. Follow the instructions to fill in the ballot (cast your votes) and **be sure to sign the inner envelope and date it**.
7. Put your ballot in the mailing envelope, add a stamp so that the ballot will arrive at the election office by **8:00 PM on November 3**.
8. You will get an email letting you know when your ballot has been received at the election office. (the envelopes are not opened or counted until Election Day)
9. If you miss that deadline, you may go to your polling place on Election Day, but you must surrender the mail-in ballot.

Please request your mail-in ballot **NOW** so your vote will be counted!
That is the way Democracy works! It is our Right and Responsibility.

----Thank you!

[1] The Supreme Court has **just ruled** that there is NO CHANGE to the mail-in process.
