

**Venerini Academy**  
**27 Edward Street**  
**Worcester, MA 01605**

Dear Parents,

Students entering 4th grade will need to send a payment of **\$15.00** in cash or check made payable to Venerini Academy during the first week of school. This payment will cover the cost of a **required** seat sack desk organizer. This item has been pre-ordered for each student and will be available in September.

During the summer months, your child should continue to read and do math practice. In math, daily, they should practice addition, subtraction, and multiplication facts up to 12. In reading, they need to read the required and suggested books from the library list. They also should read daily, choosing books they find interesting and for enjoyment. Try to read at least one book a month. Grade 4 students during their library class created a Google Slide presentation to books they recommend.

There will be no math assignments handed in on the first day of school.
