Last year, together we spent over 365 hours in Eucharistic adoration. We celebrated Mass together over 480 times.

We welcomed hundreds of visitors from the wider community to join us at Lenten, Easter, and Christmas Masses.

## Serving

**We are a generous community, giving of our time and our talents, and preaching the gospel through our actions.**

Last year, we cared for our wider community through two youth and adult mission trips and multiple service days in collaboration with community partners like Nativity House, Agape Service Project, and Esperanza International.

We shared the gospel and provided hospitality to our neighbors through Alpha Course, which welcomed over 100 participants.

# From our Pastor

Dear Parishioners,

I'm pleased to present the annual reports for our St. Vincent de Paul parish and school!

It is difficult to capture the full reality of the parish on one page. Most of what we are presenting are numbers, but I hope you consider the realities behind the numbers as you look at them: all the preparation, work, organization, volunteering, and execution behind all the sacraments, administration, collections, payments, and everything else that keeps this place moving!

But in short, the Lord continues to work in our community.

May we continue to strive to follow Him, always.

In Christ,  
Fr. Dion
