Coolroom Cove

Dimensions	Profile	Notes
35.00 mm <i>Light</i> <i>Mill Finish</i> 6.5m Lengths 10515		
35.00 mm <i>Heavy</i> <i>Mill Finish</i> 6.5m Lengths 10516		
50.00 mm <i>Mill Finish</i> 6.5m Lengths 10517		

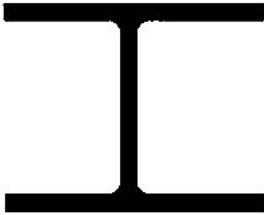

Coolroom cove can be fixed to clean and durable surfaces with heavy-duty construction adhesive (e.g. liquid nails). For additional strength, such as in high-traffic areas, we recommend screwing or rivetting the channel in place.

Always check with your builder or architect to ensure you are using the right fixing method for your particular surface.
