

Passfield Mortuary Services Inc

“Your Funeral Home
Alternative”

We believe that funerals do not have to be expensive, complicated or stereotyped, therefore we offer a cost-effective alternative to the sometimes costly, structured service of the traditional funeral home.

Our surroundings are dignified and comfortable. There is no pressure to buy unnecessary or unwanted items or products. We strive to offer personalized service and encourage families to take part in the planning and implementation of a Graveside or Memorial Service and to prepare the newspaper death announcement.

Passfield Mortuary Services supports simplicity, dignity and moderate funeral costs.
