VISIT ROTTERDAM

[visitrotterdam.com](https://www.visitrotterdam.com)

Rotterdam is a young, dynamic world city that keeps reinventing itself at speed. The city is unconventional for the Netherlands, internationally renowned for its passion for innovation and unpolished charm.

Whether it is the ever-changing skyline full of bold architecture, the port that is regarded as the smartest in the world or the 'can do' mentality of the Rotterdam people in all their diversity: Rotterdam is an entrepreneurial city with a distinct character, constantly evolving and always looking ahead. A city of frontrunners with the courage and will to drive change.

For those who have time to spare during the World Cup Masters, a visit to the city is more than worthwhile. All tourist information can be found [here](#). There's a Tourist Information point located in the terminal of Rotterdam Central Station. There you'll find everything you need to make your visit to Rotterdam unforgettable. Whether you are looking for personal advice, information about the Rotterdam City Card, tickets for tours and events, or a handy City Map, our city hosts are ready to help. Get inspired and discover not only the well-known highlights, but also the city's hidden gems.
