

SPINACH & ARTICHOKE HOT DIP

- 1 brick (250 g) cream cheese, softened
- 1 pkg. **Creamy Parmesan & Artichoke Dip Mix**
- ¼ cup mayonnaise
- 1 cup shredded cheese
- ½ pkg. of thawed, drained, chopped spinach
- ⅓ cup finely diced red pepper

In a bowl, combine all ingredients and stir until well blended. Spoon dip mixture into a 4-6 cup bowl, heat in a 325°F oven for 25 minutes or can be microwaved for 1-2 minutes. This dip also freezes beautifully; it can be prepped, frozen and baked later.
