Pelican Fit Tips

3 Ways to stay fit from the comfort of your seat

Staying in shape may be on your list of objectives for 2022, and even if it isn't, it's never too late to add new ones. According to one Australian survey, the average person spends more than nine hours every day sitting. Don't squander all that time. You can make creative use of your chair time—and offer yourself some muscle-toning benefitswhether you're on the bus or train to work or sitting at your desk. Here are three Pelican Fit Tips to help you keep in shape while sitting at home, at work, or while commuting.

Fellow UWI Pelicans,

Warmest springtime wishes to you this Easter season.

We congratulate those graduates featured in this issue of the UWI Nexus. We also invite you to share your news and to encourage your fellow UWI Pelicans and classmates to sign up on Alumni Online so that we have their current email addresses for them to receive the UWI Nexus, birthday greetings and news and updates as well.

Sincerely,

The Alumni Relations Team for Celia Davidson Francis **Director, Alumni Relations** Institutional Advancement Division, UWI
