Runway to Wonderland

Between Fashion and Fine Art | Solo Show Floris Felix

Stap binnen in het magische universum van Floris Felix, waar fashion, fine art en fantasy samenkomen. Zes monumentale schilderijen en 32 iconische fashion girls leiden je op een kleurrijke reis vol beweging, flair en allure. Voor deze eerste solotentoonstelling in I Love Illustration Gallery creëerde Floris zijn grootste schilderijen ooit.

Floris (1989, Heemstede) beweegt moeiteloos tussen illustratie, mode en kunst. Zijn penseelstreken dragen de ritmiek van de runway en vangen het vluchtige moment waarop stijl en emotie samensmelten. Zowel in grootse canvassen als intieme portretten herken je zijn expressieve, gelaagde signatuur.

Na zijn vertrek naar Parijs in 2010 werkte hij voor Viktor&Rolf, Mugler en L'Oréal en zat hij front row bij Paris Fashion Week, waar hij shows live vastlegde. Deze jaren perfectioneerden zijn snelheid, precisie en dynamiek: de energie van de catwalk vertaald naar tijdloze kunst.

Runway to Wonderland nodigt uit om op te gaan in het universum van Floris Felix—elke penseelstreek een stap op de runway.

Floris (1989, Heemstede) moves effortlessly between illustration, fashion, and fine art. His brushstrokes carry the rhythm of the runway, capturing fleeting moments where style and emotion merge. Both in grand canvases and intimate portraits, his signature expressive, layered style shines through.

After relocating to Paris in 2010, he worked with Viktor&Rolf, Mugler, and L'Oréal, spending front row at Paris Fashion Week sketching shows live. These years honed his speed, precision, and dynamic style—translating the runway's energy into timeless art.
