NEWSLETTER | JULY 2026

A MESSAGE FROM YOUR REGIONAL DIRECTOR

July always seems to arrive with a sense of celebration—flags waving, fireworks lighting up the night, and families gathering in backyards to mark the heart of summer and the promise of freedom. In our community, I'm reminded that these moments of togetherness, both big and small, are what give each holiday meaning.

Just the other day, I sat with a resident as she reminisced about her childhood Fourth of July gatherings. She spoke about simpler times: sparklers handed out to grandkids, neighbors stopping by with homemade lemonade, and the stories that would flow as the sun dipped low. Her memories weren't of grand gestures, but of the quiet bonds formed sitting shoulder-to-shoulder, listening to one another and sharing laughter. It struck me how the true spirit of Independence Day isn't measured by the size of the celebration, but by the warmth of the connections we build.

After listening to her stories, I found myself thinking about the way even small moments can shape history. In fact, while Thomas Jefferson was penning the Declaration of Independence in the summer of 1776, he often found inspiration from an unexpected companion—a pet mockingbird who sang by his window. Jefferson believed those gentle songs helped him find clarity in the midst of

great responsibility. It's a detail lost to most history books, but it makes me wonder how often the quietest presences in our lives—a friend's encouragement, a family tradition, a simple act of kindness—become the true guiding lights.

This July, as we enjoy our own traditions, let's cherish both the celebrations and the stillness. Scripture reminds us, "It is for freedom that Christ has set us free" (Galatians 5:1), and I see that freedom expressed in the way our team members and residents lift each other up, day in and day out.

We have a wonderful lineup of events all month long, from patriotic singalongs to cool treats on hot afternoons and fellowship gatherings. Whether you're able to join us for a special occasion or just for a warm hello, your presence is always a blessing.

Thank you for allowing us to serve you and your loved ones. We wish you a joyful, peaceful July—may your days be filled with both celebration and the simple joys that linger long after the fireworks fade.

Sincerely,

Allen W. Chambers

STANDING STRONG IN FREEDOM

Greetings once again on this wonderful day the Lord has made. I pray you gave the Lord His glory and honor through praise and worship this morning.

July is the month we celebrate our independence as a nation—free to make our own decisions, and to worship where and how we choose. Let us never forget the sacrifices so many have made so that we still have these liberties, even while there are those who would like to see our great nation fall. Let us continue to stand strong and united for our freedoms.

We read in the Bible: *Every kingdom divided against itself is brought to desolation, and every city or house divided against itself will not stand.* Matt. 12:25 NKJV

We also want to thank our Lord Jesus Christ for setting us free from sin and the yoke of bondage: *If the Son (Jesus Christ) therefore shall make you free, you shall be free indeed!* John 8:36 NKJV

Nadine Glass A FARM GIRL'S JOURNEY TO LOVE, LAUGHTER & LEGACY

Born in Brooks County, Georgia, to Lee and Bessie Crosby,

Nadine Glass grew up in a house filled with siblings—five brothers and four sisters—and enough stories, pranks, and laughter to fill a lifetime. She was somewhere in the middle of that lively crowd, and from an early age, she learned the value of hard work. The Crosby kids spent their days on the family farm, working tobacco fields and, much to Nadine's dismay, picking cotton from sunup to sundown. She'll tell you herself: picking cotton was her least favorite task, but if her mama said do it, she did it. There wasn't much choice.

Nadine's mother always made sure there was a big dinner on the table, and for a short time, the family got to rest and laugh before heading back to the fields. Money was tight. She remembers her sister refusing to go to school because she didn't have decent clothes, but Nadine pressed on. She became the first in her family

to graduate, proudly walking across the stage at Barwick High School the very first year they offered a twelfth grade.

After high school, Nadine went on to Moultrie Technical College and earned a degree in Business—a feat that made her entire family proud. Her first job was at Harper and McCall Insurance right on Main Street in Moultrie, where she got her start helping neighbors and friends.

It was in that same close-knit community that Nadine met Fred Glass. They'd gone to the same school, attended the same church, and when Fred asked if she'd go with him, she liked to joke, "Go where?" In truth, she knew from the moment she met him—tall, dark, and handsome—that he was the one. They married in 1953 and shared more than fifty-two years together, building a life rooted in love, respect, and laughter. Fred was her heart and soul, her one and only.

Together they raised three children—Marcia, Marlon, and Maurice—and Nadine will tell you her greatest accomplishment is being their mother. She's also a proud grandmother to eight grandchildren, all of whom know her as the life of every gathering. Nadine's easy laugh and quick wit make her the center of attention, and she loves nothing more than making people smile. "She never meets a stranger," her friends say, "and if you are one, you won't be for long."

Service has always been at the core of Nadine's life. Whether it was helping at church or lending a hand in the community, she's known for her servant's heart. She loves dogs—especially small Heinz 57s—and is rarely seen without a collection of bracelets jingling on both

arms. Jewelry is her weakness, especially when it comes to bracelets.

When asked what she loves about Legacy, Nadine's answer is simple: "The people. There are good people here." She appreciates the freedom to do for herself, and she values the kindness she's found in her new community.

If you ask Nadine how she wants to be remembered, her answer is quick and true: "Good natured. Easy come, easy go." She says it with a grin, but you know she means it. For all her jokes and laughter, she's serious about kindness. That, she says, is the legacy she hopes to leave—a life marked by joy, resilience, and a heart open to everyone she meets.

TEAM SPOTLIGHT: **MEET PENNY HANCOCK, *Part Time Activities Assistant***

I accepted Jesus Christ as my Savior at the age of 10, and my faith has been the foundation of my life ever since. I began playing the piano at just two and a half years old, never having had a formal lesson. I truly believe God gave me this gift, and I have used it to serve Him throughout my life.

As a child, I enjoyed performing and quickly became involved in church activities, talent shows, radio programs, and television appearances. Music has always been an important part of my journey and ministry.

I was first married in 1978 and was blessed with two daughters, Jessica Amato and Jana Schiflet. After the passing of my husband, God brought another blessing into my life when I married Mark Hancock in 1987. Together, we have one daughter, Rebecca Richardson, and have been blessed with three wonderful grandchildren: Addison Grace, Russell, and Naomi. Spending time with my family is one of my greatest joys.

My professional career was in nursing. I attended LPN school and worked in a hospital as well as two doctors' offices. Later, I retired from nursing and opened my own small boutique, The Pink Flamingo.

Today, I continue to share my love of music by playing at ten different assisted living and nursing home communities each month. Over the years, I have performed at Callaway Gardens, Agrirama, plantations, hospital functions, weddings, receptions, parties, dinners, special events, civic organizations, and

countless church functions.

As the wife of a minister, I stay actively involved in church life and ministry. I am the President of Women's Arising, a ladies' ministry dedicated to encouraging and uplifting women in their faith. I also host a weekly Facebook program, "Piano Music with Penny," where I share my love of music and ministry with others.

In addition to my ministry work, I work part-time here at Legacy Village. I have worked in the field of geriatrics for more than 15 years and consider it a blessing to care for senior adults, especially those living with Alzheimer's disease. Legacy Village is a wonderful place to work, and I cherish the relationships I have built there.

One of the greatest influences in my life was my mother. She helped shape me into the woman I am today through her love, kindness, faith, and giving heart. She taught me the importance of caring for others and living a life of service. Her example continues to inspire me every day.

When I'm not working or serving in ministry, I enjoy shopping, reading a good book, traveling, and spending time with my family and grandchildren.

Looking back, I am grateful for God's faithfulness throughout my life. Through music, ministry, nursing, family, and service to others, I have sought to use the gifts He has given me to bring joy, encouragement, and hope to those around me.
