In the spirit of the theme,  
"Thanks be to God!" let us thank

Our Creator for the ministerial and leadership gifts of women and LGBTQ people of God.

And even more important, let us work towards a new openness in the Church to welcome, embrace and empower ALL our members, regardless of race, language, gender identity, sexual orientation, or social class, to serve one another in whatever ministry or state of life God calls them to, in lay ministry, religious life or ordained ministry. Mahalo
