TRAINING.

You get **MORE**. To be the best, you need to do more than your competitors. That's what we intend to do.

Mon/Wed **TEAM TRAINING** 2 hrs
+ Sun **competition training** 2 hrs
+ Biweekly **TPT** 1.25 - 1.5 hrs

TPT.

Technical Position Training or TPT is our position training and includes demos, statistical breakdown, video breakdown, and **VOLUME REPS**. We include stats, film, attacking charts, and other teaching tools from our club teams, college teams, US National Teams, and other high level sources. We push technique, situational awareness, motor patterns, and pattern recognition that will benefit our players in competition.

TRAIN TOUGH.

This is CAV's **mindset training program**

Our Train Tough groups meet twice a month as foundational sessions where our athletes start to develop their mental toughness through the introduction of tools and techniques such as:

Centering Breaths

React & Regain

One More Rep

Daily Check-In

Reset Cue

Reframing

GOFF PERFORMANCE WORKOUTS.

CAV is partnering with Daniel Goff, a certified strength coach, to provide discounted access to his performance center in Raleigh. This separate opt-in mirrors a collegiate training regiment, it's **SPORT-SPECIFIC** with a focus on **injury prevention** through learning proper movement mechanics. Introducing weightlifting provides increased muscle mass, which leads to more **explosive power**.

DUES & COST.

\$5,250

Our goals when producing a schedule are to balance **high-quality competition** while seeking **BALANCE** in the amount we travel, the expense of the destinations we select, & avoiding stay-to-play events where possible.

We aim to provide families more control of their dollar by allowing you to travel how you please, use credit card points, travel miles, stay more comfortably at Air BnBs, etc.

Dues **INCLUDE** gym rental, coach salaries, equipment, tournament entry fees, and administrative costs.

Dues **do not include** uniform, USAV/AAU memberships, AAUs, and travel/lodging.

*\$2,000 nonrefundable commitment deposit will be due upon team acceptance, and the balance due in 25% increments on Nov 1, Dec 1, Jan 1, & Feb 1.

**We start training Nov 9.

PEOPLE.

By profession, by personality, and by passion - **WE ARE ALL VOLLEYBALL PEOPLE**. As NCAA coaches and Advantage club directors, JP & Emma are on the court 24/7. Working with college-aged athletes as well as developing junior players gives them a unique perspective that allows them to merge **INTENSITY** & a drive for excellence with **COMPASSIONATE COACHING** that puts the girls first.

RECRUITING.

Our program includes the following recruiting services:

- **HUDDL** - The cutting edge of volleyball **film technology**. With Hudl acquiring Balltime, we get the best of both technologies, its **ARTIFICIAL INTELLIGENCE** returns breakdowns in an hour, removes dead space, tracks ball trajectories, speed, and more. No limits of matches broken down daily or recruiting clips available. Hudl's fast turnaround allows same day adjustments and additional feedback.
- **SportsRecruits** - compiling Balltime highlights | adding accolades | coach contact database & communication tools

RECRUITING LAB.

A **study hall** model workshop held every Sunday that adds the necessary accountability to keep the recruiting roller-coaster process on the tracks. The girls have the opportunity to stay 30-min after their Sunday training to receive:

- Recruiting education from 2 collegiate head coaches
- Provide built-in check-ins on their process
- Build in time for them to make highlights
- Conduct mock phone calls as preparation
- Ask general or specific questions pertaining to the process
