Dear Parent,

Welcome back to school for the new academic year. I hope you all had a lovely holiday and got the chance to do something different. The children seem really pleased to be back with their friends, and they have all got off to a very positive start with their work.

I am sure you will welcome them to our community and help them to settle in.

PTA

We are looking for volunteers to form a new PTA for the school. We would love to hear from anyone willing to be part of this much appreciated new group!

Please contact Mrs Kelly who will coordinate with new members this year.

We welcome you to the classroom on the following dates to hear all about the year ahead. You will have the opportunity to meet your child's teacher and see their classroom. This is for the teacher to share general information with you and not an opportunity to talk about individual children.

New Intake

Our new Reception class joined us this afternoon for their first session in school and they were a delight. There were no tears and they all listened and got on with what they were asked to do. It was a very pleasant start to the school year and let's hope that continues.

Have a lovely weekend
