1. Introduction and aims

At the Rosary Trust, our policy aims to:

- Ensure our environment is mobile phone-free by default
- Ensure the safe, responsible and lawful use of mobile phones, where applicable
- Provide clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour.

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Risk of theft, loss, or damage
- Appropriate use of technology for learning purposes.

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

2. Relevant guidance

This policy meets the requirements of section 36 of the Children's Wellbeing and Schools Act 2026 and the Department for Education(DfE)'s mobile phone guidance and behaviour guidance. Further guidance that should be considered alongside this policy is Keeping Children Safe in Education, which sets out the expectation that all schools should be mobile phone-free environments by default.

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are required to actively enforce this policy and challenge any breach of mobile phone restrictions immediately and consistently.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The head teacher is responsible for monitoring the policy and reviewing it annually, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

4. Use of mobile phones by staff

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone, while children are present or during contact time. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance, (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members.

The head teacher will decide on a case-by-case basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number as a point of emergency contact.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Gemini).

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including by connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones or a similar device during the school day in front of pupils for work. Such circumstances may include, but are not limited to:

- Issuing homework, rewards or sanctions

- Use of multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits.

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office.

4.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use school phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- Make sure that all communication and conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct

4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

Pupils must not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes, unless explicitly authorised by a member of staff (for example, for a specific medical reason).

Pupils will be taught the risks that are associated with the use of mobile phones, both in school and more broadly, to make sure they understand the decision to prohibit the use of mobile phones throughout the school day. These risks can include a loss of focus in lessons, classroom disruption and an increase in bullying. Pupils will be encouraged to see a mobile phone-free environment as desirable and valuable.

5.1 Use of smartwatches by pupils

The DfE's statutory mobile phones guidance includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in its policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smartwatches have wellness and health-related features.

Just like mobile phones, pupils must not use smartwatches throughout the school day.

5.2 Exceptions for special circumstances

The school may permit pupils to use a mobile phone in school, due to exceptional circumstances.

In the case of permission due to exceptional circumstances, permission will only be granted where there is a documented safeguarding or medical necessity. To request such permission, pupils or parents/carers should contact the relevant school office.

Any pupils who are given permission must then adhere to the school's code of conduct / acceptable use agreement for mobile phone use (see appendix 1).

5.3 Sanctions

If a phone is seen by a member of staff, it will be confiscated by them. Schools are permitted to confiscate phones from children under sections 91 and 94 of the Education and Inspections Act 2006.

Once confiscated, this will be placed in the school office where the child will be allowed to collect it at the end of the day.

If a child has their mobile phone repeatedly confiscated, we will request a parent or carer collects it from the school office after school.

If we have reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause personal injury, staff have the power to search children's phones, as set out in the DfE's guidance on searching, screening and confiscation. This will always be done by a member of the SLT or pastoral team.

In each case, the sanction given must be reasonable and proportionate. The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs (SEN), disability)
- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in Keeping Children Safe in Education. This will include speaking with the

designated safeguarding lead (DSL) or deputy, who will consider whether pastoral support, an early intervention, or a referral to children's social care is appropriate.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously, and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Making of or sharing nudes and semi-nudes including images that are digitally altered or wholly generated using AI (such as 'deepfakes' or 'deep nudes')
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation.

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents and carers are encouraged to reinforce and discuss this policy at home as appropriate, including the risks associated with mobile phone use and the benefits of a mobile phone-free environment.

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils.

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil.

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, but must refer any sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Loss, theft or damage

Pupils bringing phones to school in exceptional circumstances must make sure that their phones are appropriately labelled, ready to be stored away securely in the school office when not in use during the school day.

Pupils must secure their phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to or from school.

Confiscated phones will be stored in the school office in a secure location and must be signed out by the child or parent/carer upon return.

Lost phones should be returned to the school office. The school will then attempt to contact the owner.

8. Monitoring and review

The school is committed to making sure that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- relevant advice from the DfE, the local authority or other relevant organisations.

If there are any concerns regarding this policy, these should be brought to the attention of the school office in a timely manner.

This policy will be reviewed every two years.

9. Appendix 1: [Code of conduct/acceptable use agreement] for pupils allowed to bring their phones to school due to exceptional circumstances

[Pupil code of conduct / acceptable use agreement]

Adapt this agreement to reflect your school's approach as set out in section 5. You may also need to adapt the language to suit the age of your pupils.

You must obey the following rules if you bring your mobile phone to school:

1. You may not use your mobile phone throughout the school day, including lesson times, in between lessons, breaktime and lunchtime, unless a teacher specifically allows you to for a specific reason.
2. Phones must be switched off (not just put on 'silent').
3. You may not use your mobile phone in the toilets or changing rooms. This is to protect the privacy and welfare of other pupils.
4. You cannot take photos or recordings (either video or audio) of school staff or other pupils.
5. Avoid sharing your contact details with people you don't know, and don't share other people's contact details without their consent.
6. Don't share your phone's password(s) or access code(s) with anyone else.
7. Don't use your mobile phone to bully, intimidate or harass anyone or otherwise to act in breach of the school's behaviour policy. This includes bullying, harassing or intimidating pupils or staff via:
    a. Email
    b. Text/messaging app
    c. Social media
8. Don't use your phone to send or receive anything that may be a criminal offence. For instance, by making or sharing nudes or semi nudes (including AI-generated images or 'deepfakes'.
9. Rules on bullying, harassment and intimidation apply to how you use your mobile phone even when you aren't in school.
10. Don't use vulgar, obscene or derogatory language while on the phone or when using social media. This language is not permitted under the school's behaviour policy.
11. Don't use your phone to view or share pornography or other harmful content.
12. You must comply with a request by a member of staff to switch off, or hand over, a phone. Refusal to comply is a breach of the school's behaviour policy and will be dealt with accordingly.
13. Mobile phones are not permitted in any internal or external exam or test environment. If you have a mobile phone, you will be asked to store it appropriately, or turn it over to an exam invigilator, before entering the test

room. Bringing a phone into the test room can result in your exam being declared invalid.

10. Appendix 2: Permission form allowing a pupil to bring their phone to school

Use this form if you don't normally allow pupils to bring their phones to school, but are granting an exception. It should be signed by parents/carers.
