- when you have submitted your application you will receive an email confirming this;
- you will be told the outcome of your online application by email on offer day if you requested this when you applied.

You will be able to make your application online from **10 November 2025**.

The closing date for primary applications is **15 January 2026**. This is the statutory national closing date set by the Government.

Key Points to Remember

- **APPLY ON TIME** - closing date 15 January 2026.
- **Use all 4 preferences.**
- **Tell us immediately in writing (email or by letter) about any address change.**
- **If entitlement to school transport is important to you, please make sure you read and understand the 'Home to School Transport' section in the 'Primary Education in Essex 2026/2027' admissions guide and also the Education Transport policy at www.essex.gov.uk/schooltransport. School priority admission (catchment) areas are not relevant to transport eligibility. Transport is generally only provided to the nearest available school where the distance criteria is met. It is vital you carefully consider the transport implications before you make your application for a school place. If you need any further advice please contact us at educationawards@essex.gov.uk.**

Introduction to the Schools' Admissions Policies Directory for North-East Essex

This Directory should be used with the Primary Education in Essex 2026/2027 booklet which is available on our website at www.essex.gov.uk/admissions by parents and carers whose children will be starting primary education or transferring from infant to junior school in North East Essex in the school year that begins in September 2026.

In this Directory you will find the School Admission policies of all the primary, infant and junior schools in the North-East Essex locality. This includes areas 4 (Colchester) and 5 (Tendring) on the map below. On page 6 it explains what the different parts of these policies mean.

You can make your application via our website: www.essex.gov.uk/admissions.

The deadline for receipt of applications is **15 January 2026**.

The information contained in this booklet is correct as at the time of printing. Policies may change in the light of decisions made by the Schools' Adjudicator, the Education Skills and Funding Agency or any change in the law. An addendum will be available on the website and on request.

Co-ordinated admission arrangements and what they mean

The law requires a LA to co-ordinate admissions to all primary schools (except independent (fee-paying) or special schools) in their area. Primary schools includes infant schools.

Essex parents must apply for primary school places by completing the Common Application Form. This can either be completed online at **www.essex.gov.uk/admissions**, or you can use a paper application form. **Please do not do both.** Parents can express preferences for up to four schools both in and out of Essex, in the order in which they would like them considered.

On 16 April 2026, parents will be sent one offer of a place at the highest preference school that can be met. If none of the preferences can be met a place will be offered at the nearest Essex school to the child's home address with a space available. Here are some examples of this process:

Example 1 – Parent has applied for four schools and the first preference can be met:

Preference 1 – Offered

Preference 2 – Not offered – right to appeal given*

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 2 – Parent has applied for four schools and the second preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Offered

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 3 – Parent has applied to four schools and no preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Not offered – on waiting list and right to appeal given

Preference 3 – Not offered – on waiting list and right to appeal given

Preference 4 – Not offered – on waiting list and right to appeal given

Child will then be offered a place at the nearest Essex school to the home address with a space available.

* You will note from examples 1 and 2 that children are only held on waiting lists for preferences higher than the one that can be met.

On 16 April 2026 (National offer day) Essex resident families will be sent a notification of the school offer being made. This will either be an email (for those that applied online) or a letter for all other applications.

Admissions Policy

A summary of the school's admissions policy.

There is no guarantee of a place in the school. In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2026/2027 booklet);
2. children with a sibling attending the school;
3. children living in the priority admission area;
4. remaining applications.

More information about the school will be available on its website.

This indicates the type of school. See the Primary Education in Essex 2026/2027 booklet for more information.

Department for Education unique identification number for the school.

No. of Reception places available in Sept 2026.

See Note 1. Years R-6.

Total No. of pupils at the school in January 2025. Years R-6.

The last admissions criterion under which pupils were admitted to the school last year.

See Note 2

For Community and Voluntary Controlled schools, the definition of a sibling can be found in the Primary Education in Essex 2026/2027 booklet. Some academy, foundation and voluntary aided schools also use that definition. Where it is different, the definition can be found under the individual school's entry.

Note 1

The Published Admission Number (PAN) is the number of places that the school has available for the new Reception intake in 2026. In general this will be the same as the PAN for 2025. The total number of applications received was collated on 16 April 2025. The PAN and the number of applications received for 2025 should give you an idea of the demand for places at the school. Treat this information carefully and talk to the school about it. For instance, some applications may have been second, third or fourth preferences and these increase the overall number of applications. However you should be aware that if you only apply for schools that are oversubscribed you may not receive a place at any of them.

Note 2

Timing of Admission. As required by law with effect from September 2011, all infant and primary schools provide for the full-time admission of all children offered a place in the reception year group from the September following their fourth birthday. This means that you have the right to a full time place at the school your child is offered from September 2026. Parents can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Parents can also request that their child attends part-time until the child reaches compulsory school age. You would need to check with the individual school(s) what the part-time provision would be. Where parents choose to defer entry, the school may reasonably expect that the child would start at the beginning of a new school term/half term.

In the event there being more applicants than places, the Governors will have regard to the following criteria in this priority order:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2026/2027 booklet);
2. children whose home address* is in the parishes of Birch, Great & Little Wigborough, Layer Marney, Layer Breton and Salcott-cum-Virley;
3. children who have a brother, sister, stepbrother or stepsister living in the same family unit in the same family household and address, who attends the school in any year group excluding the final year;
4. children whose parents are involved** in the life of the Christian Church, of any denomination, for whom this is the nearest church school (reference may be made to their own priest or minister);
5. children whose parents, although worshipping in another faith, wish to attend a Christian school because of its specifically religious emphasis;
6. children who have medical, pastoral or social reasons for attending this school, which can be supported by professional evidence;
7. all other applications.

In each individual oversubscription criterion, priority will be determined by distance. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2026/2027 booklet.

*Home address - Applications will be processed on the basis of the home address or listed allocated address (as informed by Essex County Admissions) for the child at the time of application and determination, unless, where there is a new home address, proof of an exchange of contracts or copy of a tenancy agreement can be provided. The home address is considered to be the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent/carer. In some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. Where this is the case, the application may be processed on the basis of that address and proof of address and residence arrangement will be required with the application. The child must be living with the relative or carer 24 hours per day, for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible).

** 'Involved' means attending worship on a minimum of 8 occasions annually for at least 2 years prior to the application.

♦ This school requires a Supplementary Information Form to be completed for consideration under criteria 4, 5 and 6. The SIF is not obligatory and is only required for the previous reasons stated

In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2026/2027 booklet).
2. Children with one or more siblings in the School.
3. Children of School staff fulfilling a skills shortage role*;
4. Other children, with priority for admission given to those whose home address is the shortest distance from the School. Children in this criteria will be ranked in order of distance.

Tie Breaker

Random allocation will be used as a tie-break in category '4' above to decide who has highest priority for admission if the distance between two children's homes and the School is the same. This process will be independently verified. If a tie-break is required in earlier categories to decide who has priority for admission between two children, distance from the school will be used to decide.

Where multiple birth siblings (twins and triplets etc.) from the same family are tied for the final place, we will admit them all, as permitted by the infant class size rules and exceed our PAN.

'Home address' is defined as "the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is the address of the parent/carer; in some cases, children may be 'ordinarily resident' for the majority of the school

week, including overnight, with another relative or carer, such as a grandparent. This may also be the case where a child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application may be processed on the basis of that address and proof of address and residence arrangement will be required with the application. The child must be living with the parent, relative or carer for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible)".

The exceptions to this rule are the children of UK Armed Forces service personnel with a confirmed posting to their area, or Crown Servants returning from overseas to live in the area, for whom an application for admission may be made in advance of their move where it is accompanied by an official letter that confirms the intended relocation date and a Unit postal address or quartering area address for the child.

* Staff - whether teaching or non-teaching, with a permanent contract to work predominantly at the School (not Trust employees in the REAch2 cluster or central teams). The application of this criterion will be subject to confirmation by an independent Trust non-executive that, on the evidence available, the member of staff has been recruited to fill a post where there is a demonstrable skills shortage. Staff must contact the School Headteacher when applying for a place under this criterion. For the purposes of this criterion, 'children of School staff' is taken to include a son, daughter or step-son/daughter, or child who is adopted or fostered or for whom a special guardianship order is in place, in all cases providing they are living at the same address as the parent who is employed at the School.

'Siblings' - For applications made in the normal admission round a sibling means a brother or sister, legally adopted brother or sister, stepbrother or stepsister, foster brother or sister, or the child of a parent's co-habiting partner; living in the same family unit in the same family household and address who

CLACTON-ON-SEA

Burrsville Infant Academy (*Continued*)

attends the School at the date of application in any year group excluding the final year. Biological and legally adopted siblings who attend the preferred school in any year group excluding the final year will also be treated as siblings irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

Straight line distances are calculated by the LA as described in the Primary Education in Essex 2026/2027 booklet.

Children at the School's Nursery

Parents should note that children who attend the School's nursery will not automatically transfer to Reception Year at the School. An application for admission to Reception Year must be made in the normal way.

♦ Children will be regarded as having been in state care outside England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Applicants under this criterion will also need to fill in a Supplementary Information Form (SIF) evidencing state care outside of England. The SIF is available from the school website or school office.

Admissions Policy

There is no guarantee of a place for children living in the priority admission area.*

In the event of oversubscription any remaining places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2026/2027 booklet);
2. children with a sibling# attending the school;
3. children living in the priority admission area*;
4. remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority.

Applications will normally be processed on the basis of the home address for the child at the time of applications, with an expectation that the child will still reside there at the time of admission. Where there is a new home address, proof of an exchange of contracts or copy of a tenancy agreement should be provided. The home address is considered to be the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent. The child must be living with the parent or carer 24 hours per day, for the majority of the school week. Arrangements where parents can leave and collect children from a relative or a carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases

we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child.

The school will ask applicants to provide proof of their home address. This will include a copy of the following:

- Council tax notification
- Two utility bills dated within the last 6 months (gas, electricity, water or landline phone).

The school reserves the right to take additional checking measures including further documentation and in some cases unannounced home visits.

If a school place is secured through false information regarding a home address, the school may withdraw the place offered.

#A relevant sibling is a child who has a brother, sister, adopted brother or sister, or stepbrother or stepsister living in the same family unit in the same family home and address, who attends the school with an expectation that the sibling will be attending at the time of admission. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

In 2025 the last child was admitted under criterion: 4

Timing of Admission

Please see page 6 of this booklet.

Admissions Policy

In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2026/2027 booklet);
2. children with one or more siblings in the School;
3. children of school staff fulfilling a skills shortage role*;
4. Other children, with priority for admission given to those whose home address is the shortest distance from the School. Children in this criteria will be ranked in order of distance.

Tie Breaker

Random allocation will be used as a tie-break in category '4' above to decide who has highest priority for admission if the distance between two children's homes and the School is the same. This process will be independently verified. If a tie-break is required in earlier categories to decide who has priority for admission between two children, distance from the school will be used to decide. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2026/2027 booklet.

Where multiple birth siblings (twins and triplets etc.) from the same family are tied for the final place, we will admit them all, as permitted by the infant class size rules and exceed our PAN.

The address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally, the address of the Parent. In some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. This may also be the case where the child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application will be processed on the basis of the address where the child resides for the majority of the school week and proof of residence and address arrangement will be required with the application. The child must be living with the parent, relative or carer for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be considered childcare arrangements, and the child will be deemed to not be 'ordinarily resident' with that person. In all cases, we expect the adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible).

The exceptions to this rule are the children of UK Armed Forces service personnel with a confirmed posting to their area, or Crown Servants returning from overseas to live in the area, for whom an application for admission may be made in advance of their move where it is accompanied by an official letter that confirms the intended relocation date and a Unit postal address or quartering area address for the child.

'Siblings' - For applications made in the normal admission round a sibling means a brother or sister, legally adopted brother or sister, stepbrother or stepsister, foster brother or sister, or the child of a parent's co-habiting partner; living in the same family unit in the same family household and address who attends the School at the date of application in any year group excluding the final year. Biological and legally adopted siblings who attend the preferred school in any year group excluding the final year will also be treated as siblings irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

* Staff - whether teaching or non-teaching, with a permanent contract to work predominantly at the School (not Trust employees in the REAch2 cluster or central teams). The application of this criterion will be subject to confirmation by an independent Trust non-executive that, on the evidence available, the member of staff has been recruited to fill a post where there is a demonstrable skills shortage. Staff must contact the School Headteacher when applying for a place under this criterion. For the purposes of this criterion, 'children of School staff' is taken to include a son, daughter or step-son/daughter, or child who is adopted or fostered or for whom a special guardianship order is in place, in all cases providing they are living at the same address as the parent who is employed at the School.

Children at the School's Nursery

Parents should note that children who attend the School's nursery will not automatically transfer to Reception Year at the School. An application for admission to Reception Year must be made in the normal way.

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2026/2027 booklet);
2. children of staff who have been with the school for two years;
3. where the child is currently attending Burrsville Infant School (this applies to September admission to Year 3 only);
4. where the child has a brother or sister, including step siblings living at the same address, currently attending Great Clacton C of E Junior School;
5. where the child resides within the area bounded by the median lines of London Road, Wellesley Road and Oxford Road, both sides of Valley Road and the Clacton-London railway line, and northwards to the boundary of the Little Clacton Parish Boundary **and** where the child's application is supported in writing by a member of the clergy from any one of Clacton's Anglican Churches indicating that the family worship there at least fortnightly (please see Supplementary Information Form). Children residing closest to the school, as the crow flies, will be admitted first;
6. where the child resides within the area bounded by the median lines of London Road, Wellesley Road and Oxford Road, both sides of Valley Road and the Clacton-London railway line, and northwards to the boundary of the Little Clacton Parish Boundary. Children residing closest to the school, as the crow flies, will be admitted first;

7. where the child's application is supported in writing by a member of the clergy from any one of Clacton's Anglican Churches indicating that the family worship there at least fortnightly;
8. where the child's application is supported in writing by a member of the clergy from any one of Clacton's Churches of other denominations indicating that the family worship there at least fortnightly.

Exceptional medical circumstances (supported by medical evidence dated within the last 6 months, from a consultant) may override the above.

Where the admission of children cannot be fairly and uniquely determined by using any one of the above criteria, then priority within that criterion will be decided by the proximity of the child's home to the school, as measured by a straight line on a map, with those living nearer being accorded the higher priority.

The churches included within the phrase Clacton's Anglican Churches are defined as St. Bartholomew's, St. James, St. John's and St. Paul's.

You must complete the relevant part of the SIF if you are applying under Category 5, 7 or 8. The SIF must be verified and signed by the relevant Church or Faith Leader, or an authorised Church or Faith Officer.

This process will be independently verified. If a tie-break is required in earlier categories to decide who has priority for admission between two children. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2026/2027 booklet.

The Governing Body of the school will consider application for admission against the following criteria and in the following order:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2026/2027 booklet);
2. children whose parents attend the Parish Church of St James the Great*;
3. children whose parents are 'at the heart'* of other Anglican churches or other Trinitarian Christian churches expressing a wish for a CE education and whose involvement is confirmed by a reference from their Parish Priest or Church Minister**;
4. children who will have siblings in the school at the proposed time of admission (Sibling is defined as children who live as brother and sister in the same house, including natural brothers and sisters, adopted siblings, step brothers or sisters and foster brothers and sisters);
5. children living in the priority admission area (a map is available from the school office);
6. children outside the priority admission area but living in the parish of St James & St Paul, Colchester;
7. all other children.

In each of the above categories, distance from home to school by straight line distance will be a determining factor in priority of admission, those living nearest to the school being given priority. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2026/2027 booklet.

* Regular attendance is defined as the child and parent or carer attending public worship, either: at St James the Great Church; St James' Church of England Primary School or at another event led by clergy of St James the Great Church for not less than twelve times in a twelve-month period prior to the date of submission of the application for admission to the school. (Supplementary information form is required).

For the purposes of these admission arrangements 'other Christian church' means any Anglican church or a church which is Designated under the Ecumenical Relations Measure 2018, nationally by the Archbishops of Canterbury and York, or locally by the diocesan bishop; or which is a member of Churches Together in England; or affiliated to the Evangelical Alliance; or a Partner Church of Affinity.

Parish catchment area, means the geographical area from which children will be afforded priority for admission to the School. A map showing this area is shown as an appendix to this Admission Policy and is available to view on the School website as well as a hard copy in the school office.

Sibling means brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister, or the child of the parent/carer's partner 'A Christian Community Achieving Excellence and Equality' where the child for whom admission is sought is living in the same family unit as that sibling and at the same address.

In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2026/2027 booklet);
2. children with one or more siblings in the School;
3. children of school staff fulfilling a skills shortage role*;
4. other children, with priority for admission given to those whose home address is the shortest distance from the School. Children in this criteria will be ranked in order of distance.

Tie Breaker

Random allocation will be used as a tie-break in category '4' above to decide who has highest priority for admission if the distance between two children's homes and the School is the same. This process will be independently verified. If a tie-break is required in earlier categories to decide who has priority for admission between two children, distance from the school will be used to decide. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2026/2027 booklet.

Where multiple birth siblings (twins and triplets etc.) from the same family are tied for the final place, we will admit them all, as permitted by the infant class size rules and exceed our PAN.

The address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally, the address of the Parent. In some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. This may also be the case where the child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application will be processed on the basis of the address where the child resides for the majority of the school week and proof of residence and address arrangement will be required with the application. The child must be living with the parent, relative or carer for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be considered childcare arrangements, and the child will be deemed to not be 'ordinarily resident' with that person. In all cases, we expect the adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible).

The exceptions to this rule are the children of UK Armed Forces service personnel with a confirmed posting to their area, or Crown Servants returning from overseas to live in the area, for whom an application for admission may be made in advance of their move where it is accompanied by an official letter that confirms the intended relocation date and a Unit postal address or quartering area address for the child.

'Siblings' - For applications made in the normal admission round a sibling means a brother or sister, legally adopted brother or sister, stepbrother or stepsister, foster brother or sister, or the child of a parent's co-habiting partner; living in the same family unit in the same family household and address who attends the School at the date of application in any year group excluding the final year. Biological and legally adopted siblings who attend the preferred school in any year group excluding the final year will also be treated as siblings irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

COLCHESTER

Unity Primary Academy (Continued)

* Staff - whether teaching or non-teaching, with a permanent contract to work predominantly at the School (not Trust employees in the REAch2 cluster or central teams). The application of this criterion will be subject to confirmation by an independent Trust non-executive that, on the evidence available, the member of staff has been recruited to fill a post where there is a demonstrable skills shortage. Staff must contact the School Headteacher when applying for a place under this criterion. For the purposes of this criterion, 'children of School staff' is taken to include a son, daughter or step-son/daughter, or child who is adopted or fostered or for whom a special guardianship order is in place, in all cases providing they are living at the same address as the parent who is employed at the School.

Children at the School's Nursery

Parents should note that children who attend the School's nursery will not automatically transfer to Reception Year at the School. An application for admission to Reception Year must be made in the normal way.

♦ Children will be regarded as having been in state care outside England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Applicants under this criterion will also need to fill in a Supplementary Information Form (SIF) evidencing state care outside of England. The SIF is available from the school website or school office.

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2026/2027 booklet).
2. Children who are ordinarily resident in the catchment area with a sibling who is either on roll at the time of the application, or has been offered a place and will still be a pupil of the School at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap. If you have more than one child at the School, please name the youngest one.
3. Children who are ordinarily resident outside of the catchment area with a sibling who is either on the roll at the time of the application, or has been offered a place and will still be a pupil at the School at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap. If you have more than one child at the School, please name the youngest one.
4. Children who are ordinarily resident in the catchment area.
5. Children of any teaching or support staff employed by the School in the following circumstances:
 1. where the member of staff has been employed for two or more years at the time the application for admission to the School is made; or

2. where the member of staff is recruited to fill a vacant post for which there is a skill shortage.

6. All other applicants by distance from the address where the child is ordinarily resident, as per the distance tie breaker.

If it is necessary to use a tie-breaker to distinguish between two or more applications, a distance criterion will be used. We will give priority to applicants who are ordinarily resident nearest to the School as measured by a straight line. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2026/2027 booklet.

In the case of twins or other multiple births, where there is only one place available in the School, all will be considered and admitted together as one application.

By ordinarily resident we mean the place where your child usually lives. We consider this to be where they sleep overnight. We may need proof of this address. If you use another address to give the impression that your child lives at a different address to where they are ordinarily resident, such as a second home or a grandparent's address, so that you have a higher priority for a place at that school; we consider this to be a fraudulent application.

Where a child lives at two or more addresses, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Separate evidence in writing from each parent must be provided to confirm the child's living arrangements at the time of application.

Siblings include a brother or sister who share the same parents; a half-brother, half-sister or legally adopted child ordinarily residing at the same address; a child looked after by a local authority placed in a foster family with other school age children; a stepchild or children who are not related but ordinarily reside at the same address as a family unit.

Waiting list held until: end of academic year.

Where the parent has made the same preferences of school and, through the normal operation of the admission arrangements, the last available place has been allocated to one twin or child from a multiple birth, the other twin or children from the multiple birth will be offered a place at the Academy. In such circumstances, both the PAN and the infant class size limit would be exceeded. The other sibling(s) would remain as exceptions to the Infant Class Size legislation for the time they are in an infant class or until the number in the year group falls back to the PAN.

Admissions Policy ♦

In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2026/2027 booklet);
2. children with one or more siblings in the School;
3. children of school staff fulfilling a skills shortage role*;
4. other children, with priority for admission given to those whose home address is the shortest distance from the School. Children in this criteria will be ranked in order of distance.

Tie Breaker

Random allocation will be used as a tie-break in category '4' above to decide who has highest priority for admission if the distance between two children's homes and the School is the same. This process will be independently verified. If a tie-break is required in earlier categories to decide who has priority for admission between two children, distance from the school will be used to decide. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2026/2027 booklet.

Where multiple birth siblings (twins and triplets etc.) from the same family are tied for the final place, we will admit them all, as permitted by the infant class size rules and exceed our PAN.

KIRBY-LE-SOKEN

Kirby Primary Academy *(Continued)*

The address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally, the address of the Parent. In some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. This may also be the case where the child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application will be processed on the basis of the address where the child resides for the majority of the school week and proof of residence and address arrangement will be required with the application. The child must be living with the parent, relative or carer for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be considered childcare arrangements, and the child will be deemed to not be 'ordinarily resident' with that person. In all cases, we expect the adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible).

The exceptions to this rule are the children of UK Armed Forces service personnel with a confirmed posting to their area, or Crown Servants returning from overseas to live in the area, for whom an application for admission may be made in advance of their move where it is accompanied by an official letter that confirms the intended relocation date and a Unit postal address or quartering area address for the child.

'Siblings' - For applications made in the normal admission round a sibling means a brother or sister, legally adopted brother or sister, stepbrother or stepsister, foster brother or sister, or the child of a parent's co-habiting partner; living in the same family unit in the same family household and address who attends the School at the date of application in any year group excluding the final year. Biological and legally adopted siblings who attend the preferred school in any year group excluding the final year will also be treated as siblings irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

* Staff - whether teaching or non-teaching, with a permanent contract to work predominantly at the School (not Trust employees in the REAch2 cluster or central teams). The application of this criterion will be subject to confirmation by an independent Trust non-executive that, on the evidence available, the member of staff has been recruited to fill a post where there is a demonstrable skills shortage. Staff must contact the School Headteacher when applying for a place under this criterion. For the purposes of this criterion, 'children of School staff' is taken to include a son, daughter or step-son/daughter, or child who is adopted or fostered or for whom a special guardianship order is in place, in all cases providing they are living at the same address as the parent who is employed at the School.

Children at the School's Nursery

Parents should note that children who attend the School's nursery will not automatically transfer to Reception Year at the School. An application for admission to Reception Year must be made in the normal way.

♦ Children will be regarded as having been in state care outside England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Applicants under this criterion will also need to fill in a Supplementary Information Form (SIF) evidencing state care outside of England. The SIF is available from the school website or school office.
