This magnificent lodge offer the ultimate wedding venue for an intimate celebration. It is positioned at the base of Champman's Peak near Hout Bay. Nestled unobtrusively between the boulders of the Altantic Ocean's water edge and on the slopes of the Cape Mountain Fynbos Nature Reserve. You can say your vows to each other on the pebbled beach or in the seclusion of the Milkwood trees. This is a superb option for a couple wishing to marry alone, or you can take exclusive use of the lodge and enjoy a private celebration for up to +- 50 guests.
