PITTWATER REWARDS

INTERNAL TERMS & CONDITIONS

Welcome to the Pittwater Rewards Program, a tiered system designed to provide benefits to all Members when purchasing goods and services within the Club.

Each level is determined on the points accumulated during a twelve (12) month period. Members will be upgraded on a monthly basis on the accumulated points based on the previous twelve (12) month period.

Earning Pittwater Points

Earning points is as easy as using your rewards card within the Club:

- Playing gaming machines
- Purchasing beverages or meals
- Purchasing tickets for upcoming events

NB Points cannot be earned for TAB or Keno spend.

Points balance can be obtained by inserting Membership Card into any Gaming Machine or swiping at an entrance kiosk or logging into the Pittwater Rewards app.

Tier Structure

Pittwater Rewards is a 3-Tiered program with each Tier offering special benefits. The more points you earn when you use your membership card, the higher the level you can achieve.

On the 10th of every month your points will be reviewed and if you have earned the required amount in the preceding 12 month period you will move up a Tier.

Points will be reviewed every 6 months on the 10th April and 10th October and levels will be adjusted accordingly. One month notice will be provided to members who have not maintained their tier level and may be subject to re-tiering.

Tier points qualification:

Platinum: 30,000

Gold: 10,000

Silver: All other/new members

Combined partner tiering for Gold/Platinum based on residential OR surname available (limit of 1 per qualifier).

To find out Tier status, swipe your card at the entrance kiosk or ask at Reception.
