Points will also be reviewed every 6 months to verify ongoing tier qualification (10th April and 10th October) and members will be adjusted accordingly. One month's notice will be provided to members who have not maintained their tier level and may be subject to re-tiering.

POINT EXPIRATION

Points earned by Silver and Gold members can be redeemed by 31 December of each year, after which they will expire. Points for Platinum members do not expire unless a breach of terms and conditions occur.
