

The Valley Network

Organization Strategic Partnership for 2027

What is a Valley Network Strategic Partner?

A strategic partner is missional, Kingdom-Minded, reproducing mindset, investing in future leaders, and values being in community with other Valley Network churches and leaders.

What does my investment impact? Your investment strengthens local churches, develops leaders, cares for pastors, and advances new gospel works throughout our region.

A Valley Network Strategic partner commits to one of the following Tiers:
