Wistow Village Church Posada

Posada is a Spanish word meaning 'inn'.

You may remember that in December 2019 we made a set of nativity figures and asked if you would like you to 'offer them shelter for the night' in your home as they 'journey to Bethlehem'. This symbolises how we make room for Jesus in our hearts, homes and community as we prepare to celebrate Christmas.

The Posada will be in Wistow School from 1st December to 5th December and then it will travel around the village until Christmas Day, when it will form part of our Christmas Day service in All Saints Church.

If you would like to take part in this 'journey' and give Mary and Joseph a room for the night, before it is then passed onto the next home, please contact us on wistowmethodist@gmail.com or see the list of dates available at the back of the church / chapel. In doing so we do ask that you are willing to make your name and telephone number available so that you can arrange to pass it onto the next family on the list.

Dear Friends

October always makes me think of an early 20th Century hymn by Estelle White:

*Autumn Days when the grass is jewelled
And the silk inside a chestnut shell*

A detailed observation of the beauty that can be found in nature, whatever the season. It's so easy, as the amount of daylight reduces, and the nights get colder to long for the balmy days of summer but take a moment to appreciate the here and now; the colours, the smell of wood smoke, the intricate structure of the trees in full view after the leaves have fallen.

The chorus of the hymn also reminds us that we mustn't forget "to say a great big thank you". Saying thank you to God is simple. It's just like saying thank you to a friend for a gift for example, or when someone does you a good turn and it usually results in a smile of appreciation in return. So, why not make God smile today by remembering to say "thank you" to him for the richness of nature in our part of the world.

God bless

Alison Cunningham
