

Dear Wenham Country Club Members,

As the 2025 golf season comes to a close, we would like to thank all of our members for another outstanding year. Wenham Country Club continues to be a leader in golf on the North Shore, carrying on and enhancing traditions that have lasted more than 100 years. We are proud to be known for our strong member camaraderie, our friendly and welcoming staff, and of course, some of the best greens in New England.

This season brought another exciting year of tournament play, highlighted by returning champions, impressive comebacks, playoff finishes, and even a few hole-in-ones.

We are pleased to congratulate our 2025 Club Champions:

- **Men's Champion:** Bob Eastwood
- **Women's Champion:** Martha Field
- **Senior Champion:** Larry Butler

The Pro Shop also enjoyed a successful season under the leadership of Golf Shop Manager Jeff Frithsen and Head Golf Professional Ryan McDonald. New product lines were introduced, including Flag & Anthem apparel, TaylorMade Qi clubs, FootJoy headwear, lightweight hoodies and T-shirts, and Scotty Cameron putters.

It was another active year overall, with 45 member tournaments. Member participation increased in the men's programs, while participation among women saw a slight decline. We will work with the women's tournament committee to explore creative ways to boost participation next season. As always, our day-to-day operations were elevated by the outstanding customer service of our dedicated staff. We extend our sincere thanks to Michael, Mark, Dave, Tim, Lilly, Brooke, Cameron, Kevin, Ben, and Joe.

Wenham Country Club: Home of the #1 Junior Program in New England

Our Friday Morning Golf Clinics remain the most popular junior program in the region, and our PGA Junior League once again sold out. Based on data and feedback from the PGA of America, Wenham Country Club's junior golf program is ranked **#1 in New England** and **#19 in the country**.

We were also proud to host tournaments for both the New England PGA Junior Tour and the USKIDS Boston Tour, welcoming many of the region's top junior golfers.

This year we hosted the 5th Annual North Shore Junior Golf Championship, drawing nearly 100 participants from across Greater Boston and southern New Hampshire. This event has become a cherished tradition and is now the premier junior golf event on the North Shore.

Course Maintenance Update – From Superintendent Alex Daly

As 2025 concludes, we thank everyone who played and enjoyed the course in what was an excellent year for the grounds department. In my seventh year, we finally experienced a “normal” agronomic season—with regular rainfall and no extreme drought. This allowed us to continue improving the course, as we do every year. Special thanks go to our returning team members for their hard work in providing consistent, high-quality playing conditions all season long.

Under the leadership of Nick Carbone and myself, the team completed the following improvements:

- Rebuilt two unsafe and damaged bunkers on the 4th hole
- Finished the expansion of the 17th fairway
- Completed several aeration cycles, including 13 acres of fairways for the first time in five years
- Repaired and expanded drainage on the 5th hole
- Repaired and added sand to bunkers as needed
- Continued our tee overseeding program and managed 55 tons of divot sand
- Pruned or removed trees to improve playability

Planning is already underway for additional course improvements beginning in spring 2026, which may include continued bunker repairs or replacements, tee expansion and leveling, irrigation enhancements, and further playability improvements. We appreciate your support and look forward to seeing you in the spring.

2026 Wenham Country Club Membership

Enclosed are the 2026 membership rates and application form. Please note that payments made **in full by check or cash before January 1** will receive a **\$100 discount**, as listed in the final column of the rate sheet.

Wenham Country Club continues to offer the best membership value on the North Shore, with over 40 member-only golf events and early weekend tee times from Patriots Day through Columbus Day. If you do not plan to return for the 2026 season, please notify us as soon as possible.

Important Membership Update: No More Assessments

Beginning with the 2026 season, Wenham Country Club will no longer charge a Tournament or Pro Shop Assessment. This change is intended to reduce confusion, create consistent pricing, and allow members to spend their golf dollars in the way that best suits their needs. You will see that the member application now includes only the membership categories, no assessment selection

Handicaps

As a reminder, Mass Golf requires all golfers to manage their own handicap directly. Please visit massgolf.org, select "Join/Renew," and complete your 2026 renewal. If you are set to "automatic renew," no action is required. A valid Mass Golf handicap is required for all member tournaments.

Winter Play

The course will remain open through November 30. Beginning December 2, temporary tees and greens will be in use, and the first three holes will remain closed until spring. When conditions permit play, please begin on the 4th tee and use only the temporary tees and greens. These restrictions help protect the course during the winter months.

Winter play is available only to those who have made a down payment toward a 2026 membership.

Enjoy the winter season. Stay well, and we look forward to golfing with you again in the spring. The clubhouse will reopen in early April, and we will celebrate Opening Day on **Sunday, April 12**, with a mixed tournament followed by a welcome-back reception.

Sincerely,

The Tarr Family and the Wenham Country Club Team

Wenham Country Club: Home of the #1 Junior Program in New England

Our Friday Morning Golf Clinics remain the most popular junior program in the region, and our PGA Junior League once again sold out. Based on data and feedback from the PGA of America, Wenham Country Club's junior golf program is ranked **#1 in New England** and **#19 in the country**.

We were also proud to host tournaments for both the New England PGA Junior Tour and the USKIDS Boston Tour, welcoming many of the region's top junior golfers.

This year we hosted the 5th Annual North Shore Junior Golf Championship, drawing nearly 100 participants from across Greater Boston and southern New Hampshire. This event has become a cherished tradition and is now the premier junior golf event on the North Shore.

Course Maintenance Update – From Superintendent Alex Daly

As 2025 concludes, we thank everyone who played and enjoyed the course in what was an excellent year for the grounds department. In my seventh year, we finally experienced a “normal” agronomic season—with regular rainfall and no extreme drought. This allowed us to continue improving the course, as we do every year. Special thanks go to our returning team members for their hard work in providing consistent, high-quality playing conditions all season long.

Under the leadership of Nick Carbone and myself, the team completed the following improvements:

- Rebuilt two unsafe and damaged bunkers on the 4th hole
- Finished the expansion of the 17th fairway
- Completed several aeration cycles, including 13 acres of fairways for the first time in five years
- Repaired and expanded drainage on the 5th hole
- Repaired and added sand to bunkers as needed
- Continued our tee overseeding program and managed 55 tons of divot sand
- Pruned or removed trees to improve playability

Planning is already underway for additional course improvements beginning in spring 2026, which may include continued bunker repairs or replacements, tee expansion and leveling, irrigation enhancements, and further playability improvements. We appreciate your support and look forward to seeing you in the spring.

2026 Wenham Country Club Membership

Enclosed are the 2026 membership rates and application form. Please note that payments made **in full by check or cash before January 1** will receive a **\$100 discount**, as listed in the final column of the rate sheet.

Wenham Country Club continues to offer the best membership value on the North Shore, with over 40 member-only golf events and early weekend tee times from Patriots Day through Columbus Day. If you do not plan to return for the 2026 season, please notify us as soon as possible.

Important Membership Update: No More Assessments

Beginning with the 2026 season, Wenham Country Club will no longer charge a Tournament or Pro Shop Assessment. This change is intended to reduce confusion, create consistent pricing, and allow members to spend their golf dollars in the way that best suits their needs. You will see that the member application now includes only the membership categories, no assessment selection

Handicaps

As a reminder, Mass Golf requires all golfers to manage their own handicap directly. Please visit massgolf.org, select "Join/Renew," and complete your 2026 renewal. If you are set to "automatic renew," no action is required. A valid Mass Golf handicap is required for all member tournaments.

Winter Play

The course will remain open through November 30. Beginning December 2, temporary tees and greens will be in use, and the first three holes will remain closed until spring. When conditions permit play, please begin on the 4th tee and use only the temporary tees and greens. These restrictions help protect the course during the winter months.

Winter play is available only to those who have made a down payment toward a 2026 membership.

Enjoy the winter season. Stay well, and we look forward to golfing with you again in the spring. The clubhouse will reopen in early April, and we will celebrate Opening Day on **Sunday, April 12**, with a mixed tournament followed by a welcome-back reception.

Sincerely,

The Tarr Family and the Wenham Country Club Team

Dear Wenham Country Club Members,

As the 2025 golf season comes to a close, we would like to thank all of our members for another outstanding year. Wenham Country Club continues to be a leader in golf on the North Shore, carrying on and enhancing traditions that have lasted more than 100 years. We are proud to be known for our strong member camaraderie, our friendly and welcoming staff, and of course, some of the best greens in New England.

This season brought another exciting year of tournament play, highlighted by returning champions, impressive comebacks, playoff finishes, and even a few hole-in-ones.

We are pleased to congratulate our 2025 Club Champions:

- **Men's Champion:** Bob Eastwood
- **Women's Champion:** Martha Field
- **Senior Champion:** Larry Butler

The Pro Shop also enjoyed a successful season under the leadership of Golf Shop Manager Jeff Frithsen and Head Golf Professional Ryan McDonald. New product lines were introduced, including Flag & Anthem apparel, TaylorMade Qi clubs, FootJoy headwear, lightweight hoodies and T-shirts, and Scotty Cameron putters.

It was another active year overall, with 45 member tournaments. Member participation increased in the men's programs, while participation among women saw a slight decline. We will work with the women's tournament committee to explore creative ways to boost participation next season. As always, our day-to-day operations were elevated by the outstanding customer service of our dedicated staff. We extend our sincere thanks to Michael, Mark, Dave, Tim, Lilly, Brooke, Cameron, Kevin, Ben, and Joe.

- Pruned or removed trees to improve playability

Planning is already underway for additional course improvements beginning in spring 2026, which may include continued bunker repairs or replacements, tee expansion and leveling, irrigation enhancements, and further playability improvements. We appreciate your support and look forward to seeing you in the spring.

2026 Wenham Country Club Membership

Enclosed are the 2026 membership rates and application form. Please note that payments made **in full by check or cash before January 1** will receive a **\$100 discount**, as listed in the final column of the rate sheet.

Wenham Country Club continues to offer the best membership value on the North Shore, with over 40 member-only golf events and early weekend tee times from Patriots Day through Columbus Day. If you do not plan to return for the 2026 season, please notify us as soon as possible.

Important Membership Update: No More Assessments

Beginning with the 2026 season, Wenham Country Club will no longer charge a Tournament or Pro Shop Assessment. This change is intended to reduce confusion, create consistent pricing, and allow members to spend their golf dollars in the way that best suits their needs. You will see that the member application now includes only the membership categories, no assessment selection

Handicaps

As a reminder, Mass Golf requires all golfers to manage their own handicap directly. Please visit massgolf.org, select "Join/Renew," and complete your 2026 renewal. If you are set to "automatic renew," no action is required. A valid Mass Golf handicap is required for all member tournaments.

Winter Play

The course will remain open through November 30. Beginning December 2, temporary tees and greens will be in use, and the first three holes will remain closed until spring. When conditions permit play, please begin on the 4th tee and use only the temporary tees and greens. These restrictions help protect the course during the winter months.

Winter play is available only to those who have made a down payment toward a 2026 membership.

Enjoy the winter season. Stay well, and we look forward to golfing with you again in the spring. The clubhouse will reopen in early April, and we will celebrate Opening Day on **Sunday, April 12**, with a mixed tournament followed by a welcome-back reception.

Sincerely,

The Tarr Family and the Wenham Country Club Team

Dear Wenham Country Club Members,

As the 2025 golf season comes to a close, we would like to thank all of our members for another outstanding year. Wenham Country Club continues to be a leader in golf on the North Shore, carrying on and enhancing traditions that have lasted more than 100 years. We are proud to be known for our strong member camaraderie, our friendly and welcoming staff, and of course, some of the best greens in New England.

This season brought another exciting year of tournament play, highlighted by returning champions, impressive comebacks, playoff finishes, and even a few hole-in-ones.

We are pleased to congratulate our 2025 Club Champions:

- **Men's Champion:** Bob Eastwood
- **Women's Champion:** Martha Field
- **Senior Champion:** Larry Butler

The Pro Shop also enjoyed a successful season under the leadership of Golf Shop Manager Jeff Frithsen and Head Golf Professional Ryan McDonald. New product lines were introduced, including Flag & Anthem apparel, TaylorMade Qi clubs, FootJoy headwear, lightweight hoodies and T-shirts, and Scotty Cameron putters.

It was another active year overall, with 45 member tournaments. Member participation increased in the men's programs, while participation among women saw a slight decline. We will work with the women's tournament committee to explore creative ways to boost participation next season. As always, our day-to-day operations were elevated by the outstanding customer service of our dedicated staff. We extend our sincere thanks to Michael, Mark, Dave, Tim, Lilly, Brooke, Cameron, Kevin, Ben, and Joe.

Wenham Country Club: Home of the #1 Junior Program in New England

Our Friday Morning Golf Clinics remain the most popular junior program in the region, and our PGA Junior League once again sold out. Based on data and feedback from the PGA of America, Wenham Country Club's junior golf program is ranked **#1 in New England** and **#19 in the country**.

We were also proud to host tournaments for both the New England PGA Junior Tour and the USKIDS Boston Tour, welcoming many of the region's top junior golfers.

This year we hosted the 5th Annual North Shore Junior Golf Championship, drawing nearly 100 participants from across Greater Boston and southern New Hampshire. This event has become a cherished tradition and is now the premier junior golf event on the North Shore.

Course Maintenance Update – From Superintendent Alex Daly

As 2025 concludes, we thank everyone who played and enjoyed the course in what was an excellent year for the grounds department. In my seventh year, we finally experienced a "normal" agronomic season—with regular rainfall and no extreme drought. This allowed us to continue improving the course, as we do every year. Special thanks go to our returning team members for their hard work in providing consistent, high-quality playing conditions all season long.

Under the leadership of Nick Carbone and myself, the team completed the following improvements:

- Rebuilt two unsafe and damaged bunkers on the 4th hole
- Finished the expansion of the 17th fairway
- Completed several aeration cycles, including 13 acres of fairways for the first time in five years
- Repaired and expanded drainage on the 5th hole
- Repaired and added sand to bunkers as needed
- Continued our tee overseeding program and managed 55 tons of divot sand
- Pruned or removed trees to improve playability

Planning is already underway for additional course improvements beginning in spring 2026, which may include continued bunker repairs or replacements, tee expansion and leveling, irrigation enhancements, and further playability improvements. We appreciate your support and look forward to seeing you in the spring.

The course will remain open through November 30. Beginning December 2, temporary tees and greens will be in use, and the first three holes will remain closed until spring. When conditions permit play, please begin on the 4th tee and use only the temporary tees and greens. These restrictions help protect the course during the winter months.

Winter play is available only to those who have made a down payment toward a 2026 membership.

Enjoy the winter season. Stay well, and we look forward to golfing with you again in the spring. The clubhouse will reopen in early April, and we will celebrate Opening Day on **Sunday, April 12**, with a mixed tournament followed by a welcome-back reception.

Sincerely,

The Tarr Family and the Wenham Country Club Team

Dear Wenham Country Club Members,

As the 2025 golf season comes to a close, we would like to thank all of our members for another outstanding year. Wenham Country Club continues to be a leader in golf on the North Shore, carrying on and enhancing traditions that have lasted more than 100 years. We are proud to be known for our strong member camaraderie, our friendly and welcoming staff, and of course, some of the best greens in New England.

This season brought another exciting year of tournament play, highlighted by returning champions, impressive comebacks, playoff finishes, and even a few hole-in-ones.

We are pleased to congratulate our 2025 Club Champions:

- **Men's Champion:** Bob Eastwood
- **Women's Champion:** Martha Field
- **Senior Champion:** Larry Butler

The Pro Shop also enjoyed a successful season under the leadership of Golf Shop Manager Jeff Frithsen and Head Golf Professional Ryan McDonald. New product lines were introduced, including Flag & Anthem apparel, TaylorMade Qi clubs, FootJoy headwear, lightweight hoodies and T-shirts, and Scotty Cameron putters.

It was another active year overall, with 45 member tournaments. Member participation increased in the men's programs, while participation among women saw a slight decline. We will work with the women's tournament committee to explore creative ways to boost participation next season. As always, our day-to-day operations were elevated by the outstanding customer service of our dedicated staff. We extend our sincere thanks to Michael, Mark, Dave, Tim, Lilly, Brooke, Cameron, Kevin, Ben, and Joe.

Wenham Country Club: Home of the #1 Junior Program in New England

Our Friday Morning Golf Clinics remain the most popular junior program in the region, and our PGA Junior League once again sold out. Based on data and feedback from the PGA of America, Wenham Country Club's junior golf program is ranked **#1 in New England** and **#19 in the country**.

We were also proud to host tournaments for both the New England PGA Junior Tour and the USKIDS Boston Tour, welcoming many of the region's top junior golfers.

This year we hosted the 5th Annual North Shore Junior Golf Championship, drawing nearly 100 participants from across Greater Boston and southern New Hampshire. This event has become a cherished tradition and is now the premier junior golf event on the North Shore.

Course Maintenance Update – From Superintendent Alex Daly

As 2025 concludes, we thank everyone who played and enjoyed the course in what was an excellent year for the grounds department. In my seventh year, we finally experienced a "normal" agronomic season—with regular rainfall and no extreme drought. This allowed us to continue improving the course, as we do every year. Special thanks go to our returning team members for their hard work in providing consistent, high-quality playing conditions all season long.

Under the leadership of Nick Carbone and myself, the team completed the following improvements:

- Rebuilt two unsafe and damaged bunkers on the 4th hole
- Finished the expansion of the 17th fairway
- Completed several aeration cycles, including 13 acres of fairways for the first time in five years
- Repaired and expanded drainage on the 5th hole
- Repaired and added sand to bunkers as needed
- Continued our tee overseeding program and managed 55 tons of divot sand
- Pruned or removed trees to improve playability

Planning is already underway for additional course improvements beginning in spring 2026, which may include continued bunker repairs or replacements, tee expansion and leveling, irrigation enhancements, and further playability improvements. We appreciate your support and look forward to seeing you in the spring.

2026 Wenham Country Club Membership

Enclosed are the 2026 membership rates and application form. Please note that payments made **in full by check or cash before January 1** will receive a **\$100 discount**, as listed in the final column of the rate sheet.

Wenham Country Club continues to offer the best membership value on the North Shore, with over 40 member-only golf events and early weekend tee times from Patriots Day through Columbus Day. If you do not plan to return for the 2026 season, please notify us as soon as possible.

Important Membership Update: No More Assessments

Beginning with the 2026 season, Wenham Country Club will no longer charge a Tournament or Pro Shop Assessment. This change is intended to reduce confusion, create consistent pricing, and allow members to spend their golf dollars in the way that best suits their needs. You will see that the member application now includes only the membership categories, no assessment selection

Handicaps

As a reminder, Mass Golf requires all golfers to manage their own handicap directly. Please visit massgolf.org, select "Join/Renew," and complete your 2026 renewal. If you are set to "automatic renew," no action is required. A valid Mass Golf handicap is required for all member tournaments.

Winter Play

The course will remain open through November 30. Beginning December 2, temporary tees and greens will be in use, and the first three holes will remain closed until spring.
