Also, please:

- Do not drop off students on Huff St. near the exit gate. The Huff St. exit is not a school entry point. With cars exiting, it is not safe for our students to walk in front of moving cars.
- Do not stop your car at the entry gate to campus. Move all the way forward. If you are late or not, when you stop your car, get out, and walk your child to the gate or the Front Office to sign your child in, you are stopping the flow of traffic behind you and making cars go around an empty car, causing unnecessary frustration to other drivers.
- Also, see below for our traffic flow map. The entrances onto school grounds are entrance only, not exits. Traffic must exit onto Huff St.:

Dear Parents and Guardians,

We appreciate the support and input some have provided with afternoon pickup. Our goal is safety and we hear your concerns regarding inaccessibility of the staff lot to exit onto Huff St. We are looking for volunteers to support our afternoon dismissal anytime from 2:45-3:30 p.m. in this area to help ensure a safe and smooth pick-up process. We are looking for at least six volunteers to make changes possible. Your presence can make a meaningful difference in maintaining an organized and secure environment.

If you are interested in assisting, please contact Pat Broughton, Director of Compliance, at pbroughton@bellamentecharter.org. We truly appreciate your partnership and support in keeping our students safe.

Thank you!

- **Mondays:**
 - **Gymnastics 2:50-3:50 TK-2 MPR:**
 - Students learn foundational skills such as rolls, handstands, bridges, balance basics, flexibility, and coordination—all while celebrating milestones along the way. Whether it's a first cartwheel or mastering new tricks, we build confidence through progress and joy through movement!
 - **Good News club, 3:15-4:45, in Room 206**

- **Tuesdays:**
 - **Karate, 2:50-4:15 in the MPR: Year round**

- **Thursdays:**
 - **ART Adventures, 2:50-3:50 TK-3rd, in the MPR:**
 - Scholars explore color, texture, layering, and artistic self-expression through imaginative projects. Each student will create their own mini art portfolio, filled with personal masterpieces that showcase growth, creativity, and artistic voice!

- **Fridays:**
 - **STEAM Explorers, 2:50-3:50 for K-3rd, in the MPR:**
 - Get ready for bubbling experiments, volcanoes, potions, design challenges, playful explosions, cause-and-effect discovery, and BIG excitement! Lessons build week-to-week so students always feel capable, curious, and proud of what they create! Expect classic after-class comments like... *“Can I have a lab coat for Christmas?”* (A scientifically verified good sign.)
