

Lowerer EI School Suggested Supply List 2022.23 school year

Dear Lower Elementary Families/Guardians,

Please see the lists below for our homeroom and grade level wishlists.

To help ensure your student begins their year organized and ready to learn, please prepare your student's pencil pouch/box with the appropriate supplies. Each grade level has included exactly what goes inside. Any excess supplies will be generously given to students who may be missing a few things, and/or kept for later in the school year as supplies need to be replenished.

Please keep supplies as simple as possible (no characters, special designs, etc.). Since we often get so many supplies all at once, it is often difficult to ensure that students get the exact supply they brought in at that moment, or later in the year. By keeping supplies fairly basic, this ensures that no student gets upset or feels left out for not having/receiving a special supply or material.

We look forward to a fun and exciting year of learning! Thank you for all that you do.

Sincerely,
The Lower Elementary Team
