Family CFO:

I serve as a Senior Advisor and am a minority owner of Buttonwood Financial Group, LLC.

Our vision is to simplify your family's financial life. Acting as your Family CFO, we manage your investments and coordinate all financial aspects with you and your other advisors (tax, estate, insurance). Our Family CFO service allows you, the Family CEO, to focus on your family, home and work life. Enjoy your Life!

Personal:

I live in Parkville, MO with my wife, Jessica, and my sons, Nico and Teo and our Persian cats, Bruno & Marzie. I love coaching my sons' soccer teams and become their biggest (silent) fan when they play other sports: baseball, flag football, basketball, and swim/dive team. I enjoy reading (fiction, classics, history, biographies, sports), the arts and athletics. Travel with the family and date nights with Jessica are special.
