

January 16, 2026

Hello Everyone,

We have just completed the first round of registration for returning campers, and we wanted to share an update on current availability, as well as explain our wait list and registration process.

When does it start?

Registration for New Campers starts, January 17th at 10am.

Where do I register?

Registration takes place exclusively online from our [Registration Portal](#).

Registration FAQ

Many of your questions may be answered by reading our [FAQ page](#).

While we are incredibly grateful that so many families choose to return to Camp Evergreen year after year, this does mean that some sessions and age groups are already at capacity after this initial round of registration.

If the week or your child's age group is currently full, the system will prompt you to join the wait list. There is no cost to join the wait list and no obligation to enroll if space becomes available.

If we are able to accommodate your child for the summer, we will contact you directly to confirm your interest before completing enrollment. Wait list priority is given to siblings and to campers enrolling in two or more sessions.

At this time, we are actively working on creating our tent groups. Groups are formed based on a child's current grade, gender, and buddy requests. In some cases, we are able to create combined groups in high demand areas, which may allow us to accommodate additional families. Because of this, some age groups may still have availability even if the system initially prompts you to join the wait list.

Due to these factors, we are unable to provide specific wait list positions or predict the likelihood of coming off the wait list. What we can assure you is that we are working to accommodate as many families as possible and will follow up as quickly as we can, knowing how important it is for you to finalize your summer plans.

All submitted registrations are reviewed to ensure they meet our sign up policy. If everything looks good, you will receive a follow up email confirming your child's enrollment. If there are any issues, we will contact you directly to discuss next steps.

By mid February, we expect to have a clearer picture of enrollment and wait list movement. At that time, we will send another update to all families with the current status.

We also typically see some changes in registration in May when tuition payments are due. If you remain interested, you are always welcome to reach out again to check on availability.

We are here to help and if you still have questions, don't hesitate to reach out. Thanks again for considering Camp Evergreen as part of our summer plans!

Tallyho!

Camp Evergreen Team
