Disciplinary Policy for Transfiguration Catholic Church's Religious Education Program

The purpose of good classroom management is to provide an environment conducive to learning and experiencing our Faith. Catechists have the right to teach, and students have the right to learn. An extremely disruptive student interrupts the learning experience and upsets the classroom dynamic.

Please carefully read the rules and discipline policy below.

Our Students are expected to:

1. Follow the rules the catechists and students have agreed to within each classroom.
2. Show respect with words and actions to everyone they encounter remembering that everyone deserves to be treated with dignity and respect.
3. All student interactions between each other, peers in other classes, and adults are to be kind, respectful, and appropriate while acknowledging personal space.
4. Turn off and store in the appropriate place all electronic:
including ear buds, phones, iPad, gaming consoles, and other devices upon entering designated classrooms or youth ministry buildings.
5. To allow peers to fully participate in the learning process without unruly interruptions.

Our policy in handling disruptive students is as follows: First the catechist will discuss the situation with the student; on the second occurrence, the student will be removed from the group with a chaperone, and a parent will be asked to pick them up. Should a student consistently be disruptive and/or use inappropriate language/behavior, the student will be temporarily removed from our Faith Formation program until a meeting between the parent(s) and DRE/Youth Minister can be arranged.

We the undersigned have read and agree to the above disciplinary policy:

Student #1	Student #4
Student #2	Student #5
Student #3	Student #6
