THE E-TEAM PRESENTS

*Encounter
Your Faith*

August 6 - The Transfiguration of the Lord

The Feast of the Transfiguration is strategically placed forty days before the Feast of the Triumph of the Cross. Thus, the Transfiguration should be seen as a preparation for both the Cross of Christ and our participation in that triumph. According to the Gospel, we are called to take up our crosses and follow Jesus for the glory of the Father, the fulfillment of His will, and the good of the Church, which will always prevail against the gates of hell. As you celebrate the Transfiguration today, look at this event as a foretaste of the reward awaiting you, and a source of encouragement to endure all sufferings for the final victory of Christ. The Christian life, as stated by Jesus Himself, is about suffering and dying out of love and with unwavering hope. By uniting our trials with Christ's Cross, we share in His glorious victory for all eternity. Prayer: My Transfigured Lord, You promise suffering and death to all who follow You, but You also promise the hope that awaits those who endure. Grant me the grace to endure every cross in life, uniting my sufferings with Yours, so that I may one day partake in the glory of eternal life in Heaven. Jesus, I trust in You.

August 8 - Saint Dominic

Dominic's success in converting heretics and drawing souls back to the Church inspired him to establish a new religious order dedicated to the mission of preaching. Together with a few like-minded companions, he founded the Ordo Praedicatorum in Toulouse, a community devoted to sacred studies, preaching, and living the Gospel in its fullness. In 1216, the Order received official approval from Pope Honorius III, marking the beginning of a new chapter in the Church's mission to evangelize the world. Dominic's advice to his brothers, "Speak only of God, or with God," became the guiding principle of the Dominicans, who were known for their dedication to the study of theology and their eloquent preaching. In Dominican tradition, one of the most significant moments in Dominic's life came through a vision of the Virgin Mary. She instructed him to propagate the prayer of the Holy Rosary as a powerful tool for meditation on the mysteries of Christ's life and for the conversion of souls. Dominic took this mission to heart, and the Rosary became an integral part of the Dominican spiritual legacy.

August 15 - The Assumption of the Blessed Virgin Mary

The Assumption of the Blessed Virgin Mary is a special event for Catholics. It celebrates Mary being taken up to heaven, body and soul, at the end of her earthly life. This means she did not go through decay like others. Instead, God brought her directly to heaven. This event is celebrated every year on August 15th. It is a holy day of obligation for Catholics in the United States. On this day, Catholics remember Mary's unique role in the life of Jesus and the Church.

August 22 - The Queenship of the Blessed Virgin Mary

Pope Pius XII established this feast in 1954. But the Blessed Virgin Mary's queenship has roots in Scripture. At the Annunciation, Gabriel announced that Mary's Son would receive the throne of David and rule forever. At the Visitation, Elizabeth calls Mary "mother of my Lord." As in all the mysteries of Mary's life, she is closely associated with Jesus: Her queenship is a share in Jesus' kingship. We can also recall that in the Old Testament the mother of the king has great influence in court. In the fourth century Saint Ephrem called Mary "Lady" and "Queen." Later Church fathers and doctors continued to use the title. Hymns of the 11th to 13th centuries address Mary as queen: "Hail, Holy Queen," "Hail, Queen of Heaven," "Queen of Heaven." The Dominican rosary and the Franciscan crown as well as numerous invocations in Mary's litany celebrate her queenship. The feast is a logical follow-up to the Assumption and is now celebrated on the octave day of that feast.

August 27 - Saint Monica

On Aug. 27, one day before the feast of her son St. Augustine, the Catholic Church honors St. Monica, whose holy example and fervent intercession led to one of the most dramatic conversions in Church history.

August 28 - Saint Augustine

On August 28, the Catholic Church celebrates the life of Saint Augustine of Hippo, the North African educator who became one of history's greatest teachers of the faith after his dramatic conversion. From 396 until his death, Augustine served as the Bishop of Hippo in North Africa. He led a religious order of men who lived in apostolic poverty without personal possessions. He also led the local Church through challenging times that included the breakdown of Roman imperial authority and widespread confusion about basic Catholic beliefs. As a bishop, Augustine presented the faith in a compelling and intelligent manner, while warning his flock – both verbally and in writing – about the danger of different heresies. These errors included Arianism, the denial that Jesus is God; Donatism, the belief that corrupt clergy have no authority; and Pelagianism, which denied original sin and taught that humans could achieve their own salvation.
