# Hannah Plan.

Modern Range

\*artist impression

The 'Hannah' plan is a well-appointed four-bedroom home designed for modern family living. The master bedroom offers a walk-in wardrobe and a tiled ensuite, providing a private retreat. The main bathroom is thoughtfully designed with a separate toilet, adding convenience for busy households. We also have a handy walk in pantry off the kitchen. The 'Hannah' plan balances comfort and practicality, making it an ideal choice for families.
