The 'Miro' is a cleverly designed 2-bedroom home that maximises space and functionality. The kitchen features a large walk-in pantry, perfect for keeping everything organised, while the hallway offers a generous linen cupboard for extra storage. The main bathroom includes a separate toilet for added convenience, and the master bedroom boasts a tiled ensuite and a spacious walk-in wardrobe. Practicality continues in the garage, which houses the laundry and hot water cylinder, making everyday living simple and efficient.
