

Floor Area 129m²

Poppy Plan.

Classic Range

*AI generated.

The 'Poppy' concept plan is smartly designed to make the most of its compact footprint while still offering a range of thoughtful features. It has three bedrooms, with the master boasting an ensuite and walk-in wardrobe. The main bathroom includes a separate toilet for convenience, and the kitchen features a walk-in pantry, combining practicality with modern style. Every detail of the 'Marya' is designed to create a comfortable, efficient home that works perfectly for family living.
