The 'Ryder' plan is a thoughtfully designed three bedroom home that combines functionality with style. It features a master suite with a large walk-in wardrobe and a tiled ensuite. The open-plan living area is enhanced by a raked ceiling, creating a sense of space and airiness. A study nook, positioned off the main living area, offers a dedicated space for work or study, accented by feature fins which feature at the entrance to the house also. The kitchen includes a walk-in pantry, perfect for storage, while the separate laundry and main bathroom with a separate toilet add to the home's practicality. The 'Ryder' plan is a perfect blend of modern design and everyday comfort.
