The Thorne plan is designed for modern family living, offering four spacious bedrooms, including a master bedroom with an ensuite and large walk-in wardrobe. Thoughtfully planned for convenience, the main bathroom is complemented by a separate toilet. With ample hallway storage, there's a place for everything. The walk-in pantry ensures a clutter-free kitchen, while two versatile living areas—one that can be closed off—provide the perfect balance of open-plan connection and private retreat. The Nova is a home where space, comfort, and practicality come together beautifully.
