The 'Zephyr' is designed for comfort, functionality, and style. Featuring three spacious bedrooms, this home also includes two separate living areas, offering flexibility for both relaxation and entertaining. A closed-off second lounge, complete with a stylish barn door, provides the perfect retreat or media room. The modern kitchen is the heart of the home, boasting a large walk-in pantry. The master bedroom features a generous walk-in wardrobe and a luxurious tiled ensuite. For added convenience, a separate toilet ensures guests don't have to walk past bedrooms, while ample hallway and garage storage keeps everything neatly tucked away.
