

**Bridgewater Township  
Noxious Weed meeting with MN Dept of Ag  
County of Rice, State of Minnesota  
June 28, 2021  
Official Minutes**

Call to Order at 1:00 pm

- A presentation by the Cannon Valley Noxious Weed Collaborative was made by John Holden. Emilie Justen (representative from the MN Department of Agriculture) responded to the presentation and a discussion regarding the best methods of fighting wild parsnip was held.
- Emilie Justen reviewed the types of grants that the Dept of Ag oversees. She also mentioned that contacting landowners with infestations of Wild Parsnip was important.
- A suggestion was made to add a noxious weed condition to the standards for gravel mines.

- Adjourn
