

Hello St. Joseph's children and families,

My name is Maddy and I'm very excited to be joining your school community for Term 2.

I am a passionate Early Childhood teacher with over 7 years of experience supporting the learning and development of young children. I believe that children are capable and curious learners who thrive in inclusive, play-based environments that support their sense of belonging, being and becoming.

Outside of school I enjoy reading, being in nature, travelling and art and I always enjoy sharing these interests where possible.

I will be travelling to live in Kununurra from a small coastal town on the south coast of New South Wales and I am very excited to be immersed in such a different landscape and to get to know the community.

I'm looking forward to meeting you all!

*Warm Regards,
Maddy*
