

Dear Families,

My name is Olivia, and I am so excited to be joining the team at St Joseph's School in Kununurra as an Early Childhood Teacher.

I have been living in Australia for the past 12 years and have been working in education for 4 years. I feel very fortunate to be doing a job that I truly love. I am passionate about supporting young children as they grow, learn, and develop a sense of confidence and curiosity about the world around them. I believe the early years are such an important time, and I aim to create a safe, nurturing, and inclusive environment where every child feels valued and encouraged to be themselves.

I come from a diverse background—I am Belgian and Australian, and I grew up in the United States. I have lived in many different places, which has helped shape my open-minded and adaptable approach to teaching and connecting with others.

Outside of school, I enjoy staying active and creative. I love dancing, exploring nature, and practicing yoga and Pilates. I am also a big cat lover and enjoy travelling whenever I get the chance. Most of all, I love spending time with friends and family, meeting new people, and always enjoy a good chat and a laugh!

I am really looking forward to becoming part of the St Joseph's community and building strong, positive relationships with students, families, and staff.

I can't wait to get started and get to know you all.

Olivia Robberechts
